

As the outgoing Events & Fundraising Coordinator, I am happy to support Courtney Newman as the next Events & Fundraising Coordinator. Having seen the amount of work Courtney has put in during her time as the Co-Chair of the Global Youth Caucus and her efforts to help DA Germany to identify and reach various study abroad programs as part of our get out the vote efforts in 2020, I believe she would make a great coordinator. She is a strong team player that is willing to spearhead various initiatives and is also very interested in making sure we bring in more volunteers and grow our organization. I believe that Courtney would be able to successfully organize various events and fundraisers at the DA Germany level, but also be a great support to our chapter leaders and volunteers in their efforts to organize events.

I also support Courtney as a DPCA Voting Representative. As a leader of one of the Democrats Abroad Global Caucuses, she plays an active role at the global level and has an awareness about the various aspects of our entire organization. This will contribute to her ability to represent Germany at the global level and strengthen our overall organization.
