

Dear Members of Democrats Abroad:

I write this letter in support of Antar Keith, candidate for the position of DPCA Voting Representative. Since I have known Antar, he has impressed me beyond measure. In the past year, Antar held a seminar entitled "The Strategic Value of US Reparations" for the Münster-Osnabrück and Saxony chapters, and for the Global Black Caucus. Not only was his talk very interesting and well received, but it also demonstrated Antar's depth of knowledge about the subject and his willingness to share that knowledge with others. This same knowledge and attention to detail he has employed in other areas for Democrats Abroad. One example is a response he wrote concerning the television appearance of a member of Republicans Overseas who spoke untruths about race and race relations in the USA. This is exemplary of the passion that he brings to the Saxony Chapter of Democrats Abroad, where he currently serves as Vice Chair, and it is this same passion that compels him to consider the needs and desires of his constituents in Democrats Abroad. I know that if Antar is elected DPCA Voting Representative, Democrats Abroad Germany will have elected a person of whom it can be proud, a person who will come to meetings prepared, and a person who will truly represent his constituents by considering their needs at said meetings. Therefore, it is with great pleasure that I endorse Antar Keith for the position of DPCA Voting Representative.

Sincerely,

Dr. Kenton E. Barnes
