

Resolution on Authorized Number of At-Large Members of DID Executive Committee

Whereas:

1. It is important to maintain a club leadership team that is representative of the diversity and geographic reach of the club
2. This year, with the joining of District Leader Jonathan Gardenhire, DID expanded its geographic coverage to include Assembly District 65 Part B, which includes parts of the Lower East Side.
3. It is important to provide a meaningful path for people to engage in the club from general interest up through membership, active participation and leadership.
4. It is important to maintain a manageable leadership team size, recognizing the necessity of quorums to ensure proper representation of club membership
5. There is strong and growing interest among DID members in becoming part of the DID leadership
6. The current authorized number of At-Large Members of the Executive Committee is six (6).
7. The DID Constitution provides for the membership to change the authorized number of At-Large Members by majority vote.

Therefore, be it Resolved:

1. DID membership authorize the increase of At-Large Members of the Executive Committee from six (6) to ten (10).
