TRANSYLVANIA COUNTY REPUBLICAN PARTY

PREAMBLE

We, the members of the Republican Party of Transylvania County, North Carolina, believing in the maintenance of local self-government to the utmost extent compatible with the original intent of the U.S. Constitution and wholeheartedly determined to support the American principle that government should and must be of the people, by the people, and for the people, do, for the purpose of coordinating our efforts and achieving maximum effectiveness, herewith establish this instrument, the Plan of Organization of the Transylvania County Republican Party.

ARTICLE I MEMBERSHIP

All citizens of Transylvania County who are registered Republicans are members of the Transylvania County Republican Party and shall have the right to participate in the official affairs of the Republican Party in accordance with the rules set forth in this Plan of Organization. Throughout this Plan of Organization, any reference to an "active Republican" shall mean a person who is registered to vote as a Republican and who has been registered to vote as a Republican anywhere in North Carolina for at least the preceding thirty (30) days. When used in connection with precinct matters, this term shall mean an active Republican registered and residing in the precinct involved; when used in conjunction with County matters, this term shall mean any active Republican registered and residing in any of Transylvania County's precincts.

ARTICLE II PRECINCTS

1. General: The basic unit of the Republican Party in Transylvania County shall be the precinct organization. Members shall include all active Republicans duly registered and residing in the precinct.
2. Annual or Biennial Precinct Meetings
 - A. Call of Meeting: The County Chair shall call Precinct Meetings on a date between (or including) the 1st of February and the 15th of March. Each Precinct Chair must be given ten (10) days' written notice of the time and place of holding same and one week's notice of such meeting must be placed in a newspaper of general circulation within the County. Ideally, these Precinct Meetings should be held at the precinct polling place, or if that is not feasible, at some other place within the precinct as designated by the Precinct Chair, unless the Precinct Meetings and the County Convention are held the same day, in which case the Precinct Meetings may be held at the same location as the County Convention.

In the event a precinct fails to properly organize or the Precinct Chair fails to act in accordance with the Plan or Organization, the County Chair shall appoint a temporary Precinct Chair to serve until a general membership meeting can be called and a new Chair elected.

Failure of the County Chair to act in compliance with the provision above shall be cause for any member of the County Executive Committee, with the approval of the Congressional District Chair, to call said Precinct Meetings with the appropriate notice.

- B. Conduct of Meeting: At the Biennial Precinct Meeting, a Precinct Committee consisting of a Chair, Vice-Chair, Secretary and at least three more active Republicans to conduct the business of the precinct shall be elected. The Precinct Chair and Vice Chair may not be husband and wife; they may be of the same sex. One delegate and one alternate to the County Convention shall be elected, plus one delegate and one alternate for each 100 registered Republican voters or major fraction thereof, in the precinct as of January 31 of that year.

Voting at precinct meetings is limited to members meeting the definition of active Republicans as defined in ARTICLE I, Membership.

A quorum for any precinct meeting (Annual, Biennial, and Presidential) is one (1) person. No proxy voting shall be permitted at precinct meetings. Results of votes on issues unrelated to the election of officers or delegates shall be reported to the County Chair. If the issue involved is brought to a vote in the County Convention, precinct delegates will, to the extent possible, cast their votes to reflect the relative vote of the meeting.

- C. Certification: The Chair and the Secretary of each precinct shall certify the election of officers, committee members, and delegates and alternates to the County Convention, on forms stipulated by the State Central Committee and furnished by the County Chair. Complete credentials shall be in the hands of the County Secretary within five (5) days following any Precinct Meeting, unless the Precinct Meeting and County Convention are held on the same day. Only delegates elected at a duly constituted Precinct Meeting may be certified as delegates to any County Convention.

3. Presidential Election Year Precinct Meetings

- A. Call of Meeting: In every Presidential Election Year, the County Chair shall call Precinct Meetings in each precinct within the dates designated by the State Central Committee after giving ten (10) days written notice of the date, time, and place of holding same to each Precinct Chair, and after giving one week's notice of such meeting in a newspaper of general circulation within the County. Failure of the County Chair to act in compliance with this provision shall be cause for any member of the County Executive Committee to call a meeting under the rules of Article II, Item 2A.

- B. Conduct of Meeting: Presidential Election Year Precinct Meetings, at which a quorum is one (1) person, shall elect one delegate and one alternate to the Presidential Election Year County Convention. One additional delegate and alternate may be elected for each 100 registered Republican voters or major fraction thereof, in the precinct as of January 31 of that year. No organizational changes shall take place except as provided in this section.

Voting at precinct meetings is limited to members meeting the definition of active Republicans as defined in ARTICLE I, Membership.

A quorum for any precinct meeting (Annual, Biennial, and Presidential) is one (1) person. No proxy voting shall be permitted at precinct meetings

- C. Certification: The Chair and Secretary of each precinct shall certify election of delegates and alternates to the Presidential Election Year County Convention on forms stipulated by the State Central Committee and furnished by the County Chair.

Complete credentials shall be in the hands of the County Secretary within two (2) days prior to the Credentials Committee Meeting, unless the Precinct Meeting and the County Convention are held on the same day. Only delegates elected at a duly constituted Precinct Meeting may be certified as delegates to any County Convention.

4. Other Precinct Meetings

- A. General: Other meetings of the precinct general membership may be held at such time as shall be designated by the Chair of the precinct committee after giving five (5) days notice of such meeting in a newspaper of general circulation within the County; or upon similar call of one-third (1/3) of the members of the Precinct Committee, or ten (10) members of the general precinct membership.
- B. Conduct of Meeting: The first order of business shall be the filling by election from among eligible active Republicans of any vacancies on the Precinct Committee and/or delegates and alternates to any forthcoming County Convention. Following this, other business may be considered.

ARTICLE III
PRECINCT COMMITTEE

- 1. Composition: Each of the County's Precinct Committees should be comprised of at least six (6) active Republicans who should have, but need not necessarily, have been present at the Biennial Precinct Meeting. Three of these members shall be the Chair, Vice Chair and Secretary/Treasurer; the remaining members shall serve as members only. When practical, and to the extent possible, the composition of the Precinct Committee shall bear a reasonable relationship to the make-up of the Republicans of the precinct with respect to sex, age, ethnic background and geography. Members of the Precinct Committee shall hold their places for two (2) years or until their successors are chosen.
- 2. Duties of Officers: The Chair of the Precinct Committee, with the advice and consent of the Precinct Committee, shall have general supervision of the affairs of the Party within his/her precinct, shall preside at all meetings of the precinct, and shall perform such other duties as may be prescribed by the Precinct Committee or the County Executive Committee. The Vice-Chair shall function as Chair in the absence of the Chair. The Secretary shall keep all minutes and records, and shall maintain a list of registered Republican voters and workers within the precinct. In the absence of the Secretary, the presiding officer shall appoint an active Republican to serve.
- 3. Duties of Committee: The Precinct Committee shall cooperate with the County Executive Committee in all elections and Party activities; provide the County Chair with a list of Party members within the precinct suitable for appointment as registrar, election judge, markers, counters, and watchers at the polls; and promote the objectives of the Party within the precinct.
- 4. Vacancies and Removals
 - A. Filling Vacancies: In the case of death, resignation, discontinuance of residency within the precinct, removal of any officer or member of the Precinct Committee, or other vacancy, the resulting vacancy shall be filled by the remaining members of the Precinct Committee.

- B. Removal from Office: Any member of the Precinct Committee may be removed by a two-thirds vote of the Precinct Committee after being furnished with notice of the charges against him, signed by not less than one third of the members of the Precinct Committee and allowing him/her 20 days to appear to present a defense; provided further that said cause for removal shall be confined to gross inefficiency, Party disloyalty or failure to comply with the County or State Plans of Organization.
- C. Disloyalty: For the purpose of this Plan of Organization, Party disloyalty shall be defined as actively supporting a candidate of another party or independent candidate running in opposition to a nominee of the Republican Party.

ARTICLE IV
COUNTY CONVENTIONS

1. Annual or Biennial Convention

- A. Calling the Convention: A County Convention shall be called in every year, by the Chair of the County Executive Committee, at the County seat between (or including) the 1st of March and the 15th of March but must be at least ten (10) days prior to the scheduled District Convention and after giving ten (10) days' public notice. Public notice as used in this plan shall be defined as the procedure for informing interested persons by means that ensure full and timely notice to the public of the event requiring notice. The primary means for public notice should be the Party's website. Other media, such as radio, television, email, or US mail may be used with approval of the State Credentials Committee. Notice of the time, place, and date of the Convention shall be given in writing by the County Chair to all members of the County Executive Committee member and all appointed committee Chairs at least 10 days prior to the Convention.

At the time of the call of the Convention, the County Chair shall appoint a Credentials Committee which will meet and issue its report on delegates and alternates certified to that Convention at least three (3) days in advance of the convening of the Convention, unless the County holds its Precinct Meetings and County Convention on the same day. All delegates challenged in the report of the Credentials Committee shall be notified prior to the day of the Convention and allowed to present their case to the Credentials Committee prior to the convening of the Convention. The delegates and alternates elected at the duly constituted Annual or Biennial Precinct Meetings, unless successfully challenged, individually, in their capacity as delegates and alternates, unless such challenge is a procedural challenge, shall sit as delegates and alternates at the County Convention.

If the County Chair fails, refuses, or neglects to call a County Convention as required by this article, it shall become the duty of the Vice Chair to act in this capacity. The Vice Chair shall give five (5) days notice to all Precinct Chairs and County Executive Committee members and shall give five (5) days notice in a newspaper with general circulation within the County. If the County Chair or Vice Chair does not call such a meeting, it shall be cause for any member of the County Executive Committee, with the approval of the Congressional District Chair, to call such County Convention.

- B. Annual or Biennial Convention Action: The Chair of the County Executive Committee shall call the meeting to order at which time he/she will either assume the position of presiding officer of the Convention or appoint and install an active Transylvania Republican to that position. In the absence of both County Chair and

Vice Chair, any member of the County Executive Committee or a delegate to the Convention may call the Convention to order and conduct the nomination and election of a Convention Chair. All the business of any County Convention shall be viva voce and may, at the discretion of the presiding officer, be by acclamation, except when, on a specific question, a roll call vote is called for by a delegate.

- C. Order of Business: The first order of business at the Annual or Biennial County Convention shall be the recognition and seating, unless successfully challenged, of the appropriate number per precinct of delegates and or alternates elected by the County's duly organized precincts to cast their vote on matters coming before the County Convention.

It shall be the duty of the delegates representing each precinct to choose one of their number as Delegation Chair and to report his name to the presiding officer of the County Convention. It shall be this Delegation Chair's duty to announce the vote of the precinct as directed. The vote so announced shall be recorded unless some delegate of that same precinct shall challenge its accuracy as announced. In the event of such challenge, the County Convention's presiding officer shall cause the roll of delegates from that precinct to be called and the vote to be recorded according to the response of the individual delegates. That vote is final.

Any Republican present at a County Convention may challenge the seating of any delegate(s) representing the precinct, and only that precinct, in which the challenger is duly registered and in which he/she duly resides. The only permissible basis for such challenge shall be that the delegate(s) are not duly registered in that precinct or that they were not duly elected at a precinct meeting. The decision of the County Convention presiding officer shall be final and in the event the challenge is upheld the precinct involved shall lose the votes represented by the delegates/ alternates removed.

The second order of business shall be consideration of and action on any proposed amendment of the County Plan of Organization. Any such amendment shall not apply to the transaction of business during the course of the County Convention during which it is adopted except for changes required to conform to the State Plan of Organization. In the absence of such an amendment, the Chair shall announce that the current Plan of Organization shall continue to guide the County's operations. This Plan of Organization shall not be inconsistent with the State Plan of Organization, a current copy of which shall be on file at County and State Headquarters.

The third order of business, usually in the biennial odd-numbered year, shall be the election of Party Chair, Vice Chair, Secretary, Treasurer, and up to a total of eight (8) active Republicans to serve as voting Members-at-Large of the County Executive Committee. The membership of the Executive Committee shall also include the President of the Transylvania County Republican Club, Chair of the Transylvania County Young Republicans Organization, and County Finance Chair. Members-at-Large may not hold office as Chair, Vice Chair, Secretary or Treasurer. All the mentioned officers will hold their positions for a term of two (2) years or until their successors are elected. The County Executive Committee may elect additional members to the Executive Committee in addition to those members elected at the County Convention.

The fourth item of business for the County Convention is to elect one delegate and one alternate to the Congressional District and State Conventions, plus one delegate and alternate for every 250 Republicans or major fraction thereof, registered in the

county as of January 1 of that year. Each County shall further elect one delegate and alternate for each Republican elected to the State Legislature and to public office on the State or National level from said County in the last election held for that office. The presiding officer may call for volunteers from among the assembled active Republicans and to consider such volunteers as nominees for election as delegates and/or alternates.

The final order of business shall be the recognition of the slate of newly elected County officers and seating of the newly elected Chair as presiding officer for the remainder of the County Convention.

- D. Voting: Voting at any County Convention shall be permitted only by duly elected and seated delegates or by duly elected alternates seated for elected but absent delegates. A quorum for the County Convention shall consist of the number of recognized and seated delegates present. No one delegate may cast more than one vote. There shall be no proxy voting.
- E. Certification: The Chair and Secretary of the County Executive Committee shall certify the election of officers, committee members, delegates and alternates to the District and State Conventions, on forms furnished by the State Central Committee. Completed credentials shall be in the hands of the Congressional District Secretary and the State Headquarters by the deadline set by the State Chair. No delegates or alternates shall be added to the credentials list following the adjournment of the County Convention.

2. Presidential Year County Convention

- A. Calling the Convention: A County Convention shall be called in every Presidential Election Year by the Chair of the County Executive Committee within the dates designated by the State Central Committee, after giving ten (10) days' public notice. Public notice as used in this plan shall be defined as the procedure for informing interested persons by means that ensure full and timely notice to the public of the event requiring notice. The primary means for public notice should be the Party's website. Other media, such as radio, television, email, or US mail may be used with the approval of the State Credentials Committee. Notice of the time, place, and date of the Convention shall be given in writing by the County Chair to all members of the County Executive Committee members and all appointed committee chairs at least 10 days prior to the Convention.

At the time of the call of the County Convention, the County Chair shall appoint a Credentials Committee which will meet and issue its report on delegates and alternates certified to that Convention at least three (3) days in advance of the convening of the Convention, unless a County holds its precinct meetings and County Convention on the same day. All delegates challenged in the report of the Credentials Committee shall be notified prior to the day of the Convention, and allowed to present their case to the Credentials Committee prior to the convening of the Convention. The delegates and alternates elected at the Presidential Election Year Precinct Meeting, unless successfully challenged, individually, in their capacity as delegates and alternates, unless such challenge is a procedural challenge, shall sit as delegates and alternates in the County Convention.

If the County Chair fails, refuses, or neglects to call a County Convention, it shall be cause for the Vice-Chair or any member of the County Executive Committee, with the approval of the Congressional District Chairman, to call such County Convention. The

Vice Chair, or in his absence, any member of the Executive Committee, shall give five (5) days notice to all Precinct Chairs and County Executive Committee members and shall give five (5) days notice of such convention in a newspaper of general circulation within the County.

- B. Conduct of Meeting: The Chair of the County Executive Committee shall call the meeting to order at which time he will either assume the position of presiding officer of the Convention or appoint and install an active Republican to that position. In the absence of both County Chair and Vice Chair any member of the County Executive Committee or a delegate to the Convention may call the Convention to order and conduct the nomination and election of a Convention Chair. All the business of any County Convention shall be viva voce and may, at the discretion of the presiding officer, be by acclamation, except when, on a specific question, a roll call vote is called for by a delegate.

The first order of business shall be the recognition and seating, unless successfully challenged, of the appropriate number per precinct of delegates and or alternates elected by the County's duly organized precincts to cast their vote on matters coming before the County Convention.

It shall be the duty of the delegates representing each precinct to choose one of their number as Delegation Chair and to report his name to the presiding officer of the County Convention. It shall be this Delegation Chair's duty to announce the vote of the precinct as directed. The vote so announced shall be recorded unless some delegate of that same precinct shall challenge its accuracy as announced. In the event of such challenge, the County Convention's presiding officer shall cause the roll of delegates from that precinct to be called and the vote to be recorded according to the response of the individual delegates. That vote is final.

Any Republican present at the Convention may challenge the seating of any delegate(s) representing the precinct, and only that precinct, in which the challenger is duly registered and in which he duly resides. The only permissible basis for such challenge shall be that the delegate(s) are not duly registered in that precinct or that the delegate(s) was not duly elected at a precinct meeting. The decision of the presiding officer shall be final and in the event the challenge is upheld the precinct involved shall lose the votes represented by the delegates/alternates removed.

The Presidential Election Year County Convention shall elect one delegate and one alternate to the Congressional District and State Convention plus one additional delegate and alternate for every 250 Republicans or major fraction thereof, registered in the county as of January 1 of that year. Each County shall further elect one delegate and one alternate for each Republican elected to the State Legislature and to public office on the State or National level from the County in the last election held for that office. The presiding officer of the Convention may call for volunteers from among the assembled active Republicans and to consider such volunteers as nominees for election as delegates and/or alternates. No organizational changes shall take place except as provided in this section.

- C. Voting: Voting at any County Convention shall be permitted only by duly elected and seated delegates or by duly elected alternates seated for elected but absent delegates. A quorum for the Convention shall consist of the number of recognized and seated delegates present. No one delegate may cast more than one vote. There shall be no proxy voting.

- D. Certification: The Chair and Secretary of the County Executive Committee shall certify election of delegates and alternates to the Presidential Year District and State Conventions on forms furnished by the State Central Committee. Completed credentials shall be in the hands of the Congressional District Secretary and the State Headquarters by the deadline set by the State Chair. No delegate or alternate shall be added to the credentials list following the adjournment of the Presidential Election Year County Convention.
- E. Fee: For each person who is elected at a County Convention to be either a Delegate or an Alternate to the State Convention, the County shall forward to the State Party a fee to defray the costs of mailing the Convention materials to such elected Delegates and Alternates. The County Party may recover this fee from the Delegates and Alternates following their election.

ARTICLE V COUNTY EXECUTIVE COMMITTEE
