Not authorized by any candidate or candidate's committee.

WAKE COUNTY NEEDS A GOVERNMENT THAT WORKS FOR ALL CITIZENS

TAXES

The current Wake County Commissioners raised your taxes five years in a row. The average homeowner pays \$488 more today than they did in 2014. The

Wake4All team will

vote for lower taxes and responsible spending.

PUBLIC SAFETY

The new sheriff has made Wake County a sanctuary county and has made decisions that jeopardize public safety. The **Wake4All** team will provide oversight to the Sheriff's Office and make public safety a priority.

EDUCATION

The chaos of student reassignments must end. The **Wake4All** team will make sure the school board puts parents first and provides stability for families.

FAIR REPRESENTATION

With a population of over 1 million people, Wake is the only large county in North Carolina that still elects all commissioners county-wide. Smaller communities are being ignored. The **Wake4All** team will support local district elections so that every community has a voice in our county government.
