

Your Vote

will determine the

Future of America

Will you vote for:

- **Socialism** - government control, loss of freedom and rights, lower standard of living, societal decline, repression of dissenters, violence, higher taxes
- **Free Market Economy** - freedom, opportunity, prosperity, innovation, free speech

*Venezuela went from **prosperity** to **starvation** in less than two decades under socialism. People voted for a candidate who sought to punish the rich and make everything free.*

Democrats support

- **Socialism.** Fostering a culture of dependency and poverty rather than prosperity.
- **Open borders.** Not just to anyone who wants to come here, but whatever they decide to bring with them. Sanctuary cities. Voting & benefits for illegal aliens.
- **Regulatory repression.** Stifling our economy with more regulations & business taxes, climate change.
- **Restricting freedoms.** Big government, FREE programs, unlimited spending, gun control.
- **Attacking our culture.** Denying religious freedom, free speech, eliminating traditional values.
- **Equity instead of equality.** Pushing policies to make citizens equally impoverished rather than allowing them to flourish with equal opportunity.

Not voting is like giving Biden a vote.

What to Consider When Voting

This is a comment from KAREN VAUGHN, Mother of Aaron Vaughn, Navy Seal.

Sometimes God uses the no-nonsense, salty sailor to get the job done. Appreciating what the man is doing doesn't mean we worship the salty sailor or even desire to be like the salty sailor. It doesn't even mean God admires the salty sailor. Maybe He just knows he's necessary for such a time as this.

Donald Trump is what he is – and he is still the man he was before the election – and without guilt.

I very much admire what that salty sailor is accomplishing. He's not like me. That's okay with me. I don't want to be like him. I will never behave like him. I know we've NEVER had a man like him lead our nation before. It's crazy and a little mind-blowing at times. But I can't help admire the stamina and ability he has – acting with his heart rather than a calculated, PC, think tank-screened, carefully edited script.

I still believe that is WHY he became our President and WHY he's been able to handle a landslide of adversity and STILL pass unprecedented amounts of good legislation for our country AND do great works for MANY other nations, including Israel.

I'm THRILLED with what he's doing for my nation, for the cause of Christ (whether intentional or unintentional, doesn't matter to me), and for the concept of rebuilding America and putting her FIRST. I will not be ashamed of my position because others don't see him through the same lens.

Should it matter to me if a fireman drops an f-bomb while he's pulling me from a burning building? Would I really care about what came out of his mouth in those moments? Heck no! I'd CARE about what he was DOING. He wasn't sent there to save my soul and I'm not looking to him for spiritual guidance. All I'm thinking in those moments is, "Thank you, GOD, for sending the fireman" AND DONALD TRUMP IS OUR FIREMAN.
