

President Trump is fighting

to

Make America Great Again

for

ALL Americans

See what he has done:

More Jobs - 6 million jobs added. The unemployment rate dropped to the lowest level in nearly 50 years - lowest ever for Blacks, Hispanics & Asians, women at a 65 year low and youth at nearly a 50 year low.

Rising Salaries - The biggest wage gains have been for lower level wage earners.

Less Poverty - Poverty has decreased (.09%) and Food Stamp rolls declined (-15.1%), to the lowest in 10 years.

Tax Cuts - The biggest overhaul of the tax system in 30 years. *New York Times* reported that the 2017 tax cut law resulted in most taxpayers paying less federal income tax.

Cut the cost of Regulations - The government has saved some \$1.308 billion from 47 separate deregulation actions.(8/2018) A survey found that small business owners spend more than 80 hours a year just dealing with regulations.

Stock Market Record Highs - adds value to retirement accounts.

Energy Independence - The U.S. exported more oil than we imported, for the first time in 70-plus years. (12/2018)

Increased Military funding - Secured record \$700 Billion to defend our country.

Defeated the ISIS Caliphate and took out 2 key terrorist leaders. (ISIS leader and Iran general who had killed many American forces & was planning an attack on the US embassy in Iraq)

Israel–United Arab Emirates peace agreement

Border Security - Securing our southern border from illegal drugs, human trafficking, MS13, terrorists and other illegal and gang members. 200 miles of new border wall have been built.

Trade Agreements to revitalize industry and agriculture must be fair and reciprocal - new agreements with Canada, Mexico, Japan and S. Korea. New China agreement – Received significant concessions to protect U.S. technology and trade secrets. China to buy \$200 billion (over 2 years) of American goods and to allow greater access to its markets.

Conservative Judges - 2 Supreme Court Justices and more circuit court judges confirmed than any other new administration.

VA reform - allows care outside the VA.

Funding for Opioid Epidemic - \$6 Billion in new funding

Opportunity Zones created to drive private investment into America's poorest neighborhoods.

Prison System reform

Coronavirus Response

- Issued travel bans to limit the spread
- Signed bills for free testing, paid leave for workers, protections for healthcare workers and funding for agencies responsible for coronavirus response
- Declared a National Emergency, allowing \$50 billion in funding
- Invoked the Defense Production Act to expedite production of medical supplies
- Partnered with private industry
- Executive order for \$400/wk unemployment benefits & extend payroll tax cuts thru 2020
