

**PURPOSE OF THE ANALYSIS:**

To recognize that COMMUNISTS have planned and advocated for over 100 years to destroy the United States from within through the continued use of specific goals, and that these GOALS are actively being pursued and implemented by the Democrat Party, Leftists, Liberals and Progressives. The analysis shows a trace of the origins of the goals in Communist Leader statements, to the GOALS as published by W.C. Skousen in 1958 and reviewed by J.C. Bowers in 2012, to the current programs being pursued throughout U.S. society today by "Democrats" and their relationship to the GOALS seeking destruction of our nation.
