TOWN OF AMHERSTBURG

MEDIA RELEASE

Closure of Amherstburg's Libro Centre Recreational Facility

Amherstburg, March 15, 2020: As the COVID-19 pandemic continues to evolve, Amherstburg's Recreational Facility, The Libro Centre, will be closed cancelling all programs, effective 8:00 pm this evening until further notice.

All staff are required to report as originally scheduled.

"Although we still do not have any confirmed cases of the COVID-19 virus in the region, it is imminent that we will, as the numbers escalate in the province and the country", says Mayor DiCarlo. "Doing our part to reduce the risk to our vulnerable residents, and minimise the burden on our emergency services by reducing the possibility of spreading germs, seems only prudent at this time".

Amherstburg Council is scheduled to meet at 5:00 pm tomorrow at a Special Council meeting, as they continue to monitor the fluid and ever changing situations, to ensure the safety and wellbeing of the community.
