

Share Your Vision!

The City of Durham is seeking your input in determining what to do with a surplus city building at **103 S. Driver Street** in East Durham. This vacant building was formerly the home of the NIS Impact Team and Fire Station #3. Please share your vision for the site by participating in any of the activities listed below! More information can be found at www.durhamcommunityengagement.org or by contacting one of the project managers listed at the bottom of this flyer.

1 Complete a questionnaire.

Share your ideas and concerns about the future of the site by completing a questionnaire. An online version can be found on the project website or a paper version picked up at 103 S. Driver.

2 Attend a workshop.

Three workshops will be hosted by the City at the following locations. This will include a short presentation as well as an opportunity to ask staff questions and share your thoughts, ideas and concerns.
