We would like to recognize the members of the Christie Bentham Legacy Society who have pledged a future legacy gift to DWDC. We thank them for their generous commitment to protecting the rights and choices of future generations.

## FINANCIAL SNAPSHOT

Dying With Dignity Canada received generous support from our community in 2019, allowing us to further our work forwarding end-of-life rights. Alongside receipt of a remaining portion of David Jackson's \$7M bequest were several other bequests, as well as monthly and annual donations from over 4700 people across the country.

Our Board of Directors understands that Canadians are counting on us not only to make strategic investments that expand the impact and reach of our programs, but also to ensure the sustainability of our organization.

DWDC invested in our advocacy, education and support programs substantially in 2019. We devoted \$1,163,672 to our mission work and have worked hard to invest in growth of our programs and operations, out of expenditures for 2019 totalling \$2,053,605.
