# Want to Export to the U.S.?

You can access the U.S. market duty-free under the African Growth & Opportunity Act

## About AGOA

AGOA provides incentives for African countries to become more globally competitive by making economic and commercial reforms. The main incentive is the opportunity to export goods, from a list of over 6,000 qualifying products, to the U.S. without paying import duties.

**\$452**  
million

Total value of Hub-supported AGOA exports from the four leading countries in eastern Africa, Oct 2014 - Mar 2018.

We can help you access the U.S. market under AGOA. Want to know more? Ask our AGOA expert or join our Facebook group
