# LET'S REPOWER THE NT WITH RENEWABLE ENERGY

Thousands of new jobs.  
Lower power prices.

**BECOME A REPOWER NT  
CHAMPION**

Take action to put renewables on  
the agenda this NT election.

# 1 minute guide

## CAMPAIGN TOPLINE:

**“Renewable energy in the NT will create thousands of new jobs and lower power prices. Let’s repower the NT with renewable energy.”**

Use this one-liner when you’re campaigning or talking to candidates, friends and family.

## OUR 5-POINT PLAN

---

1. Central battery storage for the Darwin-Katherine grid
2. Solar for NT Government buildings, including schools and community housing
3. Stand up for NT solar jobs - protect our renewable energy target
4. Deliver the Roadmap to Renewables
5. Develop hydrogen for NT's future

# 10 minute guide

## READ OUR 5-POINT PLAN

 [ecnt.org.au/repowernt\\_plan](https://ecnt.org.au/repowernt_plan)

We're calling on all parties to commit to repowering the NT with renewable energy, creating thousands of new jobs and lowering power prices. Learn more about the five actions the next NT government can take to get the job done.

## ENERGY IN THE NT: THE FACTS

---

- Roughly 10% of NT's electricity is generated by renewables. The rest is generated by gas and diesel, which are fossil fuels
- The NT has an abundance of solar energy resources, with more limited opportunities for wind and hydro
- The NT Government has a target of achieving 50% renewables for electricity supply by 2030

**Head to the Repower NT website for more facts and mythbusters.**

# the 10 GW vision

## OUR VISION FOR THE NT

 [ecnt.org.au/10gwvision](https://ecnt.org.au/10gwvision)

As the world transitions to renewable energy, the Northern Territory's abundance of sunshine represents an exceptional opportunity to prosper. Discover what we could do if we drove investment in 10 gigawatts of renewables.

## BENEFITS BY 2030

---

- Over 8,000 new jobs
- Over \$2 billion annual new revenue
- 80% saving in household transport bills
- 30% saving in household electricity bills

**An ambitious renewables strategy can spark a vibrant manufacturing sector in the Territory, with export opportunities in energy infrastructure, zero-carbon manufacturing and minerals processing.**

# take action

## BECOME A REPOWER NT CHAMPION

 [ecnt.org.au/repowernt\\_champions](https://ecnt.org.au/repowernt_champions)

Take our 45-minute training session to learn how to advocate for renewable energy and take action to ensure local candidates get the message: it's time to bolster the NT economy with renewable energy.

## WHAT YOU CAN DO

---

- Volunteer at our Repower NT market stalls, doorknocks and at polling booths
- Organise a Repower NT presentation at your next community event
- Talk to your local candidates about Repower NT
- Invite your friends to become Repower NT Champions
- Donate to our campaign by becoming a Territory Guardian: [ecnt.org.au/donate](https://ecnt.org.au/donate)
