

## STRATEGIC PLAN OVERVIEW: 2016-2019

THE LIVING CITY	THE ACTIVE CITY	THE RENEWABLE CITY
 ...integrates nature into the very fabric of urban planning  ...defends trees, plants, animals, rivers and greenspace  ...solves challenges by working with - not against - nature 	 ... builds safe streets for all users, ages and abilities  ... focuses on moving people, not just cars  ... connects communities with world class public transportation 	 ... knows that 100% renewable energy is 100% possible  ... says "no" to new fossil fuel infrastructure  ... creates clean energy jobs 
TOGETHER WE WILL:		
<ul style="list-style-type: none"> <li>• PLANT A MILLION TREES AND CREATE A NEW URBAN FOREST STRATEGY</li> <li>• PROMOTE GREEN INFRASTRUCTURE AND CREATE A NEW WATER ENVIRONMENT STRATEGY</li> <li>• DEVELOP A COMMON VISION FOR GREENSPACE PROTECTION AND CREATE A FUND TO PROTECT NATURAL AREAS</li> </ul>	<ul style="list-style-type: none"> <li>• PROMOTE CYCLING AND WALKABLE COMMUNITIES AND IMPLEMENT THE NEW COMPLETE STREETS POLICY</li> <li>• SECURE PROVINCIAL AND FEDERAL FUNDING FOR STAGE 2 LIGHT RAIL</li> <li>• INCREASE PROVINCIAL AND FEDERAL FUNDING FOR CYCLING AND PEDESTRIAN INFRASTRUCTURE</li> </ul>	<ul style="list-style-type: none"> <li>• ACCELERATE THE TRANSITION TO CLEAN ENERGY AND CREATE A NEW 100% RENEWABLE ENERGY STRATEGY</li> <li>• STOP THE PROPOSED ENERGY EAST PIPELINE</li> <li>• INCREASE PROVINCIAL AND FEDERAL FUNDING FOR MUNICIPAL ACTION ON CLIMATE CHANGE</li> </ul>
