Finish what you are doing and then this. I know this is a lot and I don't think it will get better. I know you can do it though. Thanks

OY! You're killing me. Just kidding.

I can pull some pieces together for you in the morning but would like to finish the other ask first (it's almost done.) Is that ok? D

Hi – had a meeting with the COS today on this. He would like some information about what we did and how we did it the last time. How did we communicate to staff? Do we have the communication we sent to those in the pool. Can we do a summary of the business cases? Timeframe? Thanks much.
