## OUR LEADER

### Andrew Scheer

We are very excited after seeing the biggest voter turnout in history on May 27, 2017 we have a new leader for the Conservative party - Andrew Scheer.

*Mr. Scheer was first elected Member of Parliament for Regina-Qu'Appelle by defeating the longest-serving member of the House of Commons.*

He held the position of Speaker of the House of Commons for four years, becoming the youngest Speaker in Canadian history!

Andrew has been re-elected in 2006, 2008, and 2011, and since the 2015 election has served as the Official Opposition House Leader.

Andrew studied History and Politics at the University of Ottawa and the University of Regina. He passed the Canadian Accredited Insurance Broker program and began his working career in the insurance industry in Regina.

As a father of five, Andrew has been known all his life for being true to his conservative principles in politics and out.

## Welcome

On behalf of the Edmonton Centre Board of Directors, welcome to all new members!

### WHAT WE ARE DOING

Your board is gearing up for a busy fall as new Leader Andrew Scheer begins to set the stage for the 2019 election.

We will be out door-knocking this summer to talk to our neighbours. Please register to volunteer; it will be a great opportunity to meet fellow Conservatives.

Plans for our annual BBQ are in the works and we will provide more information as that comes available.

A major project will be preparing for the CPC policy review at the National Convention in Halifax and we want your input.

### OUR MEMBERS

We are pleased to welcome Jordana Aeckerburg, Matt Lillico, Lizzie Moorhouse and Oula Sanduga to our board.

We encourage everyone to get involved, no experience required, there is lots of training available to anyone interested.

### THIS SPRING

The national leadership race saw our membership swell to more than 160K in Canada.

The sold out leadership debate in Edmonton was held on February 28, 2017 at the Citadel Theatre and was a lively and interesting event.

On May 27, 2017 we took part in a True Blue Celebration Watch Party after the polling station which was sponsored by local EDAs and very successful.
