## Newsletter No. 3, September 1993

Our last Newsletter was distributed in May of this year. Since that time we have held our Annual General Meeting, namely on 15th June 1993. The week before the AGM we had a very enjoyable dinner at *Cafe Boltz*. Another similar get together will be organised later in the year.

We have enclosed the Chairperson's Report adopted at the AGM together with the Minutes from that meeting. You will see that subscriptions for 1993/94 have been increased from \$5.00 to \$10.00. **Subscriptions are now due.** Would you please complete the renewal form below and forward it to the Secretary of ELCAS, *Elisa de Wit* as soon as possible.

The Advisory Panel Roster has been drawn and distributed for the next 6 months. Would you please note your rostered day in your diary straight away. We thank you for your continued support.
