

## Five Ways to Find Your Fire

What drives you? Is it something to do with your kids? Something at church? Maybe it's something like sidewalks or a park. Whatever your passion is find a way to support it. It doesn't have to take a lot of time, but it does take your fire.

- 1 Spend some prayer time asking God to guide you to your passion.
- 2 Ask friends and family for their input.
- 3 Assess your skill set.
- 4 What did you love doing as a child?
- 5 Notice when you lose track of time, or what you hate to stop doing
