The Great Opportunity Party

We Are Americans.
WE ARE REPUBLICANS.

WE ARE REPUBLICANS. *Our Beliefs. Our Principles. Our Promise.*

We are ...

- The party of Lincoln, Roosevelt, Reagan and America's great leaders.
- The party of freedom, equality, and the individual.
- The party that freed the slaves and guaranteed equal protection under the law.
- The first major political party to support women's right to vote.

We believe in ...

- The strength of the individual and each person's dignity, freedom, ability, and responsibility.
- Equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Free enterprise and the individual initiative that brought America opportunity, economic growth and prosperity.
- A fiscally responsible government and allowing individuals to keep more of what they earn.
- A government whose role is to provide for the people those critical functions that cannot be performed by individuals or private organizations — the best government is that which governs least and is closest to the people.
- Valuing and preserving America's strength and pride while working to extend peace, freedom and human rights throughout the world.

We are fighting for ...

- More American jobs, small businesses and entrepreneurship, higher wages, and a better standard of living.
- Tax relief to grow the economy, create jobs, and get Americans back to work.
- A balanced budget, an end to reckless spending, and getting control of the national debt.
- Our constitutional rights — the people's rights and states' rights.
- Academic excellence for all, improving our nation's classrooms, bringing down the cost of higher education, and increasing parental choice in education.
- Domestic energy independence, responsible energy exploration and development, a moral obligation to conserve ...
