

STRIVE

Safe Relaunch 2020

A play-drive program that builds healthy relationship among peers. We'll be exploring various structured activities, arts & crafts, mindfulness practices, and sensory play while promoting physical distancing and precautions to decrease transmission of COVID-19. Participants must be registered in their age-appropriate group.

About STRIVE: A center based respite aide program, which aims to build friendships with peers through play and social activities while providing respite for families. The STRIVE program is for all children ages 3 to 17 years old.

COVID-19 remains a threat in our society. Ability4Good has taken precautions to decrease the chance of transmission of the virus for relaunching the STRIVE program through complying with the recommendations of the Chief Medical Officer of Health in Alberta. As a result, families can only register to one group program (maximum 5 participants and 2 staff members), and participants will be provided with Safety Relaunch Protocol of Ability4Good.

Note: Parents must provide snack for their child to bring during programming. If your child requires 1:1 attention, you must inform the Group Coordinator.

Respite Aide & Cost Information

STRIVE program uses the respite aide hours issued by the Family Support for Children with Disabilities (FSCD) program. Caregivers must confirm with their FSCD agreement and/or caseworker that they have the required respite aide hours of 8 hrs (2 hrs/day) direct hours and 2 hrs (0.5 hr/day) of indirect hours total of 10 hrs in the group rate of \$18.18/hr. Ability4Good will directly bill FSCD for respite support. Furthermore, the activity cost is \$5/day and is the responsibility of the primary caregiver to pay in full before the start of the program. Ability4Good offers Payment Plan for families who need this option. Please contact the Group Coordinator for further information.
