## Proposal summary

The government has released A Place to Grow which replaces the Growth Plan for the Greater Golden Horseshoe, 2017. We are seeking feedback on proposed transition regulation to support implementation of the Plan. The proposed changes, if approved, would transition specific planning

## Submit a comment

Share your thoughts on this proposal in the comment box below. You can include links and attachments to support your key points. We will publish all approved comments and supporting material with the decision notice.

Your privacy is important to us. **We will not publish your comment if it includes any identifying information, like names, addresses or phone numbers.**

Comment \*

If there is an identifying information in your comment(s), they will not be published online but will be read and considered.  
We also encourage you to copy and paste your comments and send them your local council, mayor and MPP

There are three notices and we encourage you to write the same comments and submit them in each notice.

The Environmental Registry of Ontario is a consultation process to Ontarians, we don't need to be experts on planning or Acts or amendments, etc.
