

ELEVATE

OURSELVES. OUR WORK. OUR WORLD.

2016 EPIP NATIONAL CONFERENCE | SEPT. 13-15 | BALTIMORE, MD

SPONSOR INFORMATION

EPIP members and allies are convening in Baltimore, September 13-15, to elevate their practice toward a more just, equitable and sustainable world.

EPIP's national conference brings together a diverse group of more than 200 emerging leaders in philanthropy and the nonprofit sector to explore innovative and proven methods to advance social change in a peer-led space. Participants gain fresh thinking and concrete tools they can bring back to their institutions, and engage in substantive dialogue with established leaders in the field.

Champion a Rising Generation of Leaders

Show your support for the philanthropic leaders of today and tomorrow.

Sponsors help to keep our conference accessible to attendees from a variety of organizations, from major foundations to community-based nonprofits.

About EPIP

Emerging Practitioners in Philanthropy

(EPIP), a project of Tides Center, is a national network of foundation professionals, social entrepreneurs and other change makers who strive for excellence in the practice of philanthropy. EPIP provides a safe space for members to hone their craft, connect with their peers around the country, and develop their own authentic approach to leadership within their institutions and beyond. We help EPIP members reach their potential as leaders today and tomorrow, diversify philanthropic leadership and promote justice, equity and sustainability in philanthropy.

EPIP Programs

- Our **fourteen chapters** provide local leadership development and member-driven programming
- **Wednesday Webinars** connect our members to field-leading content and program planning opportunities
- Our **People of Color Network** supports EPIP members of color and their allies in navigating philanthropy and advocating for equity within and beyond their institutions
- **Measuring a Leader** provides a framework around which members can organize their own development, with seven skill areas from strategy and analysis to fundraising.
- **Philanthropology** sessions help our members dig more deeply into equitable philanthropy in theory and practice.
