Mathew was the center of our world and the joy of our life. He made everything we did exciting and fun. He was a funny, happy, deeply caring, affectionate boy. He was a Boy Scout and dreamed of one day being a Fireman like his dad. He was great at riding dirt bikes and target shooting. He loved Four Wheel-In' with the Jeep, and exploring the mountains and nature with his family. Words cannot express the depth of how much he is missed and loved.
