ESMAHAN RAZAVI'S PLATFORM EXECUTIVE SUMMARY

The following four main principles guided the creation of my platform and, when I have the privilege to serve you as your Ward 6 Councillor, I will use them as a test when making decisions:

1. INVOLVE EVERYONE
2. BUILD ON STRENGTHS
3. LEAD AND BE WILLING TO RESOLVE CONFLICT
4. RETURN ON INVESTMENT

My platform is the result of months of engagement. I have been door knocking, attending community association meetings and talking with stakeholders. Most importantly, I have been listening. This platform is as much yours as it is mine. The four platform planks I developed speak to what I heard directly from you, the residents of Ward 6:

1. STRONG ECONOMY
2. SMART DEVELOPMENT
3. SAFE COMMUNITIES
4. WORLD-CLASS INFRASTRUCTURE
