ACKNOWLEDGEMENTS

Education either functions as an instrument which is used to facilitate integration of the younger generation into the logic of the present system and bring about conformity or it becomes the practice of freedom, the means by which men and women deal critically and creatively with reality and discover how to participate in the transformation of their world.

Paulo Freire

This strategic plan was developed with the dedicated effort and collaboration of our executive board members and partners. We greatly appreciate their guidance and support and thank them for their time in reviewing and giving input for this plan. We are particularly grateful for the sponsorship, support, participation, and encouragement of the organizations and individuals, especially our donors and partners, who committed their time and minds to this work:

Excite Credit Union
Soul Focus Sports
Silicon Valley Education Foundation
East Side Alliance
House Foundation

Daniel Moser
Francisca Sánchez

An enormous debt of gratitude is due to all who contributed to this Strategic Plan development process and participated in drafting action plans with their thoughts and experiences, shared concerns and participated in drafting action plans. This document is the fruit of their collaborative spirit, passion, and enthusiastic support.
