

Cultivating Care for Our Common Home

“as people of faith and goodwill, we should be united in showing mercy to the earth as our common home and cherishing the world in which we live”

Pope Francis, Sept. 1, 2016.

Three years after Laudato Si', Pope Francis' 2015 letter calling everyone to care for our common home, the ecological signs of the times grow more urgent and the Vatican seeks to inspire a “massive movement”.

Karen Van Loon will present on what is happening to our common home and explore ways of responding as people of faith and hope.

Karen Van Loon is the coordinator of the Cultivating Care for Our Common Home program at Faith & the Common Good.
