

About this years Annual Homecoming Benefit Dinner

This one of a kind event aims to raise funds for Family Tree Relief Nursery, a community based child abuse prevention nonprofit organization providing early intervention services at no cost to Linn County families with children under the age of six.

Proceeds from the 2019 Annual Homecoming Benefit Dinner will go directly to families who are utilizing our Therapeutic Early Childhood Program (Nursery). By participating in our Annual Homecoming Benefit Dinner you will be partnering with families to help break destructive cycles and also help prevent child abuse and neglect in your own community.

A Homecoming Benefit Dinner sponsorship not only offers you an opportunity to associate your company or organization with a spectacular event, but it also gives you the chance to attend the Director's Pre-event social hour and mingle with fellow sponsors and their guests, our board of directors, and a distinguished guest.

Director's Pre-event Social Hour - Invitation Only

This year our annual dinner will begin with a invitation only Director's Pre-event social hour. Upon your arrival at Boulder Falls enjoy complimentary valet parking and a red carpet entrance. Mingle with fellow event sponsors and their guests, Experience craft cocktails, have you photo taken, and hear a quick uplifting speech from our distinguished guest. Migrate from the patio to your table using the VIP entrance around 6pm for a plated dinner of steak or chicken.

For questions or to coordinate benefits, please contact Ali Tesch, Community Engagement Officer. (509)844-2632 or atesch@familytreern.org
