# ELECT MICHAEL FEINSTEIN

Santa Monica City Council

## THE LOOKOUT

### Rand Land Purchase for Tongva Park & Saving Chez Jays!

OCTOBER 27, 1999 — “This is an absolutely great day for this community,” said Michael Feinstein, a driving force behind the deal. “The opportunities this provides us are, if not unprecedented, certainly momentous. This is a win-win situation.”

Council

**TRUSTED LEADERSHIP, PROVEN RESULTS**

# Elect Michael Feinstein

Campaign promises are easy to make. A record in the community is earned by engaging all parties in a meaningful way and delivering the best our City deserves.

Let's look at Mike's record.

Not only was he a leader of a grass-roots residents' effort to limit development of our Civic Center in the 90's, he followed through as a Councilmember as the visionary champion of Tongva Park we all enjoy today. Thanks in large part to Mike we have grass, trees, an ocean view and Chez Jays instead of another office tower, parking lot and more traffic.

Mike's also led successful efforts to expand solar power, protect tenants and preserve neighborhoods. He always listens to residents.

***You Vote.  
Mike Delivers.***
