

## After School Classes Spring 2019

**Strings** classes are for students interested in learning the violin, viola, cello, or bass. We'll explore instrumental technique and notation and perform a wide variety of styles of music, from classical to folk to pop.

**Choir** classes are for students interested in singing and moving with others. We'll explore vocal technique and notation and perform a wide variety of styles of music, from a capella to show tunes.

**Theater Basics** classes explore basics of acting, writing, and producing short plays and films. Students will create original plays and films to present at the end of the semester.

**Musical Theater** classes will rehearse and perform a staged, Broadway-style musical theater production. Open by audition only.

**Eric Scheider**, instructor, has been leading musical and staged performances with children and adults in WNC since 2005. He has led the education programs of the Hendersonville Symphony and taught orchestra for the Henderson County Public Schools. He has served as stage and/or music director for student musicals, operas, and films for the HSO, HCPS, and elsewhere. Eric currently performs as a cellist and conductor around WNC, Upstate SC, and beyond.
