Regarding Assembly Bill 2222

Dear Governor Brown,

I write you today on behalf of Firearms Policy Coalition, a fiercely non-partisan nonprofit organization that promotes individual liberty and sound public policy through litigation, research, education, grassroots outreach, and direct advocacy.

Assembly Bill 2222 would extend some existing firearms reporting requirements to all law enforcement agencies in the state. That makes sense.

As recent news has shown, criminals too often acquire firearms from law enforcement agencies and their employees. And some of these incidents have had tragic consequences.

The public should know when criminals get guns from government agencies and officers. This bill seems like a step in the right direction.

Your approval of Assembly Bill 2222 would be, too.

Sincerely,
