

UNITED STATES COURT OF APPEALS FOR THE THIRD CIRCUIT

No. 19-1729 & 19-3182

Defense Distributed v. Attorney General State of New Jersey

ORDER

The above-captioned appeals are hereby consolidated for all purposes. All case-opening forms, motions, and briefs must be electronically filed in all cases on the Court's electronic case filing (ECF) system.

Neither appeal will be submitted to a motions panel for possible dismissal due to a jurisdictional defect at this time. The issue of jurisdiction is referred to the merits panel. The parties are advised that this order does *not* represent a finding of jurisdiction. As in all cases, the panel of this Court that reviews the appeals on their merits will make a final determination of jurisdiction. The parties should address jurisdiction in their briefs. See Fed. R. App. P. 28(a)(4)(B) & 28(b).

The appellants have already filed a brief in No. 19-1729 that appears to address the merits of both appeals. Within fourteen days of this order, the appellants must electronically file a copy of their brief and the appendix in No. 19-3182 so that both dockets contain the appellants' brief and the appendix. If the appellants did not mean for that brief to address both appeals, they may file a motion within fourteen days of this order asking for permission to file a supplemental brief in No. 19-3182.

The appellee's brief addressing both appeals must be filed within thirty days after service of the appellants' brief in No. 19-3182.

The appellant's reply brief addressing both appeals must be filed within twenty-one days after service of the appellee's brief.

For the Court,

s/ Patricia S. Dodszeit
