THIS IS A REQUEST FOR PUBLIC INFORMATION/RECORDS

This is a request for public information/records about the conduct of the people's business—a *fundamental and necessary right of every person*—under Article I, Section 3 of the California Constitution, the Public Records Act (Government Code § 6050, *et seq.*), and Executive Order S-03-06.

This request is directed individually: (1) To each person identified in the addressee section above, and (2) To the public information/records administrator for each entity identified in the addressee section above.

PURPOSE OF THIS REQUEST

The purpose of this request is to research and understand the proposed “Bullet-Button Assault Weapons” regulations listed at <https://www.oal.ca.gov/proposed-regulations> (OAL Deadline 6/26/2017; OAL File # 2017-0512-02; “File and Print Only (FP)”). We respectfully ask that you assist us with identifying records and information that are responsive to this request and/or to the purpose of the request, describe the information technology and physical location in which responsive information/records exist, and provide suggestions for overcoming any practical basis for denying access to the records or information sought.

PUBLIC RECORDS SOUGHT

This request seeks the information/records (*see, e.g.*, Government Code §§ 6252(e), 9072(c)) listed below, whether in the form of a writing (*see, e.g.* Evidence Code § 250; Government Code §§ 6252(g), 9072(d), inclusive), electronic mail (e-mail), electronic message, computer file, photograph, audio or video recording, tape, or however they were created, communicated, or are kept, retained, or stored today.

This request seeks all of the information/records listed below even if some or all of the information/records were generated, received, communicated, sent, stored, or are otherwise available on a privately-owned or maintained account or system. Accounts or systems include, but are not limited to, computers, servers, databases, “mobile” devices (i.e., smartphones, electronic tablets), “cloud” services, infrastructure-as-a-service (“IaaS”) services, platform-as-a-service (“PaaS”) services, software-as-a-service (“SaaS”) applications, mobile/smartphone/tablet applications, electronic mail (e-mail) accounts, social media accounts, social media applications, chat or message services, or any other means of creating, sending, receiving, or storing information/records.

Please notify us in writing if you have no responsive information/records, and/or if you are refusing to disclose responsive information/records (and the legal basis for withholding any public

information from us), and/or if the information/records requested below are under the control of another individual, department, and/or agency.

We request that you provide us with complete, entire, legible, and exact copies of each and all of the following information/records that are in existence, and that you identify and describe any of the following that have ever been, but are no longer in existence, or that are for any reason are not presently available to you, or that for any reason you will not provide.

1. The proposed “Bullet-Button Assault Weapons” regulations listed at <https://www.oal.ca.gov/proposed-regulations> (OAL Deadline 6/26/2017; OAL File # 2017-0512-02; “File and Print Only (FP)”).

COST REIMBURSEMENT

We are willing to reimburse you for the allowable costs of record duplication and shipping/delivery. If you estimate that the cost to re-produce/copy and ship/deliver the requested information/records will exceed \$50.00 (per addressee and/or entity with responsive information/records), please provide us with a cost estimate before fulfilling this request.

If receipt of payment is required to begin the process of fulfilling this request, please let us know the amount of the payment requested and the address that we should mail a check to. If shipping/delivery of the information/records is not possible, please let us know the date, time, and location that the requested information/records will be made available to us.
