

Congressman DUNCAN HUNTER Isn't Looking Out for You

He says he's our Congressman, but he doesn't stand up for us. He serves Trump and Wall Street. His votes are making our lives worse. **Hunter has voted to:**

- ✓ **Take away healthcare** from 23 million Americans, delay Medicare access until 67, and cut critical benefits.
- ✓ **Deny millions of workers** access to overtime pay.
- ✓ **Kick thousands of children** off Head Start Early Education.
- ✓ **Deny young immigrant DREAMers** access to education & military service.
- ✓ **Give big tax cuts to the 1%**, leaving middle-class families with the bill.

**Duncan Hunter is a puppet
of Trump & Wall Street**

HUNTER

Looking Out for Himself

Hunter used \$60,000 of campaign funds on family trips to Italy and Hawaii, jewelry, and solo airline travel for a pet rabbit. It's enough to make you hopping mad.

Los Angeles Times

8/9/17

"FBI seized computers and documents in investigation of Rep. Duncan Hunter's campaign spending"

"There is substantial reason to believe that Rep. Hunter converted campaign funds to personal use to pay expenses that were not legitimate and verifiable."

- Office of Congressional Ethics, 8/26/16
