He's looking out for his biggest donors by voting to:

Raise our Taxes
Raising taxes on most households earning \$75,000 or less by 2027

Allow Families to Go Hungry
Taking food assistance away from 17,610 people in our community by 2023 and an additional 16,532 by 2027

COOK PUTS *PROFIT* OVER PEOPLE

Congressman Paul Cook voted for the Republican tax scam bill twice, giving massive tax cuts to his biggest millionaire donors and Wall Street bankers. In fact, **83%** of Cook's tax cuts go to the **TOP 1%**. Because this bill balloons the deficit, Speaker Paul Ryan is using it as an excuse to **CUT** Medicare, Medi-Cal/Medicaid, and Social Security.

COOK DOESN'T REPRESENT US

IT'S TIME TO ELECT SOMEONE WHO WILL.

Cook's Health Care Sabotage

Cook voted to take health care away from 33,300 people in our community, including 21,200 on Medi-Cal by 2025. If we can't trust him to protect lifesaving medical care, we can't trust him to represent us.

Cook's Hunger Games

Many families in our community are struggling to afford nutritious meals. Yet Cook voted to take away the Supplemental Nutrition Assistance Program (SNAP) from 34,142 people in our community who need help putting food on the table. 66.1% of SNAP households have at least one child under 18.
