

# REPUBLICAN JEFF DENHAM

## DOESN'T REPRESENT US

He is beholden to super rich donors and votes to:

 **Take Away our Health Care**  
Kicking 49,900 people in our district off their health coverage by 2027

 **Raise our Taxes**  
Raising taxes on most households earning \$75,000 or less by 2027

 **Allow Families to Go Hungry**  
Taking food assistance away from 14,798 families by 2023 and an additional 13,892 by 2027

# Vote Out Denham!

He's NOT looking out for us.

## DENHAM PUTS *PROFIT* OVER PEOPLE

Jeff Denham voted for the GOP tax scam, giving massive tax cuts to his biggest millionaire donors and Wall Street bankers. In fact, **83%** of Denham's tax cuts got to the **TOP 1%**. Because this bill balloons the deficit, Speaker Paul Ryan is using it as an excuse to **CUT** Medicare, Medi-Cal/Medicaid, and Social Security.

# DENHAM DOESN'T REPRESENT US

## IT'S TIME TO ELECT SOMEONE WHO WILL.

### Denham's Health Care Sabotage

Denham voted to take health care away from 36,400 people in our community, including 20,200 on Medi-Cal in 2025. If we can't trust him to protect lifesaving medical care, we can't trust him to represent us.

### Denham's Hunger Games

Many families in our community are struggling to afford nutritious meals. Yet Denham voted to take away the Supplemental Assistance Program (SNAP) from 28,690 people in our community who need help putting food on the table. 68.4% of SNAP households here have at least one child under 18.
