#TogetherWeCanDoIt
#Cheer4HealthWorkers

If you've noticed your neighbours getting a bit noisy at 7:30 p.m., it's all for a good cause. We're showing support for essential workers who are making huge sacrifices for our benefit.

Make yourself heard by stepping out onto your lawn, porch, balcony or going to a window and making noise: bang pots and pans, sing a song, applaud, or honk a horn.

"This amazing spirit of human solidarity must become even more infectious than the virus itself."

– Dr. Tedros, World Health Organization
