

## Growing the Greenway Action Committee Agenda

January 6, 2016

- 5:30 Pot-luck and Introductions (15 minutes)
- 5:45 Growing the Greenway Developments—FLTA, site, soil testing (15 minutes)
- 6:00 Expert: Grow Dat Youth Farm (15 minutes)
- 6:15 Subcommittee meetings (45 minutes)
  - Design:
    - How many plots should we have? What size(s)?
    - The committee has decided that a community space would be a crucial element for the community gardening space. Start to brainstorm design elements of that structure.
  - Programming:
    - What are the expectations of growers?
    - Now vs. later programming
      - Which programs will be started with the garden?
      - How can we partner with ReFresh and STNC? How could we tie in with existing programming?
      - What would we want to create later?
  - Management:
    - What insurance would we need?
    - How can we fundraise?
    - What agreements would be needed among partners?
  - Finance:
    - Review list of foundations and grant opportunities. Who do we reach out to? By when?
    - Review budget.
- 6:55 Surveys, next meeting, & close (5 minutes)
