For Britain is a democratic pro-British party that seeks to restore power to the citizen and ensure that Britain stands as an independent and sovereign nation-state.

For Britain is defined not by what we are against, but what we are for: Britain.

We sit neither on the left nor the right, but believe strongly that policies based upon common sense and natural justice will appeal to the vast majority of voters, and will restore truth and sanity to a nation currently governed by an out-of-touch elite and complicit media.

Our policies are simple but tough and they put the people of Britain first.

Only some of our proposals appear in this booklet, you can find much more at our website. Alternatively, contact us at the details below:

• Ensure the UK is free to trade on the UK’s terms across the world

Those who will not integrate, or who will not respect British laws and norms, will not be permitted to live in the UK and will not be granted British citizenship
• Deport those found to be living in the United Kingdom unlawfully or involved in violent crime (exceptions may be made on humanitarian grounds)
