☐ Children (not in strollers)
☐ Mobility assist devices
☐ Other _____

Harbour Square

Townhouses

Riverside Condos

Washington Channel

Titanic Memorial

P St Alley

Harbor Patrol

Note: The map is meant to help you make your point-in-time count. Don't worry about precise placement of the people observed. Please enter the total count of each activity in the table above. If someone is engaged in more than one activity, count them once under the primary activity observed. Do not double-count people. DO count children as well as adults.
