WAKEMED FOUNDATION: WAKEMED FOUNDATION LOVE LIGHT CAMPAIGN

For over 30 years, members of our community have supported the programs and services of WakeMed Children's by making a gift during our annual Love Light Tree holiday campaign. This year, we're seeking to raise additional awareness for this special celebration honoring WakeMed's pediatric patients by hosting Kick It 4 Kids. Your support of this event, through participation as a team member and/or sponsor, helps us provide the best possible care for our community's tiniest patients.

Gifts to WakeMed Children's support patient- and family-centered programs and services such as our Child Life program - providing play therapy and distraction activities for children during their stay at the hospital, renovation and expansion of our Neonatal Intensive Care Unit (NICU) – adding 12 additional beds to care for more newborns and increase privacy for new parents by converting open-concept spaces to private rooms, and so much more!
