Equity Lens

Theory of Change: Ending Youth Homelessness KFLA

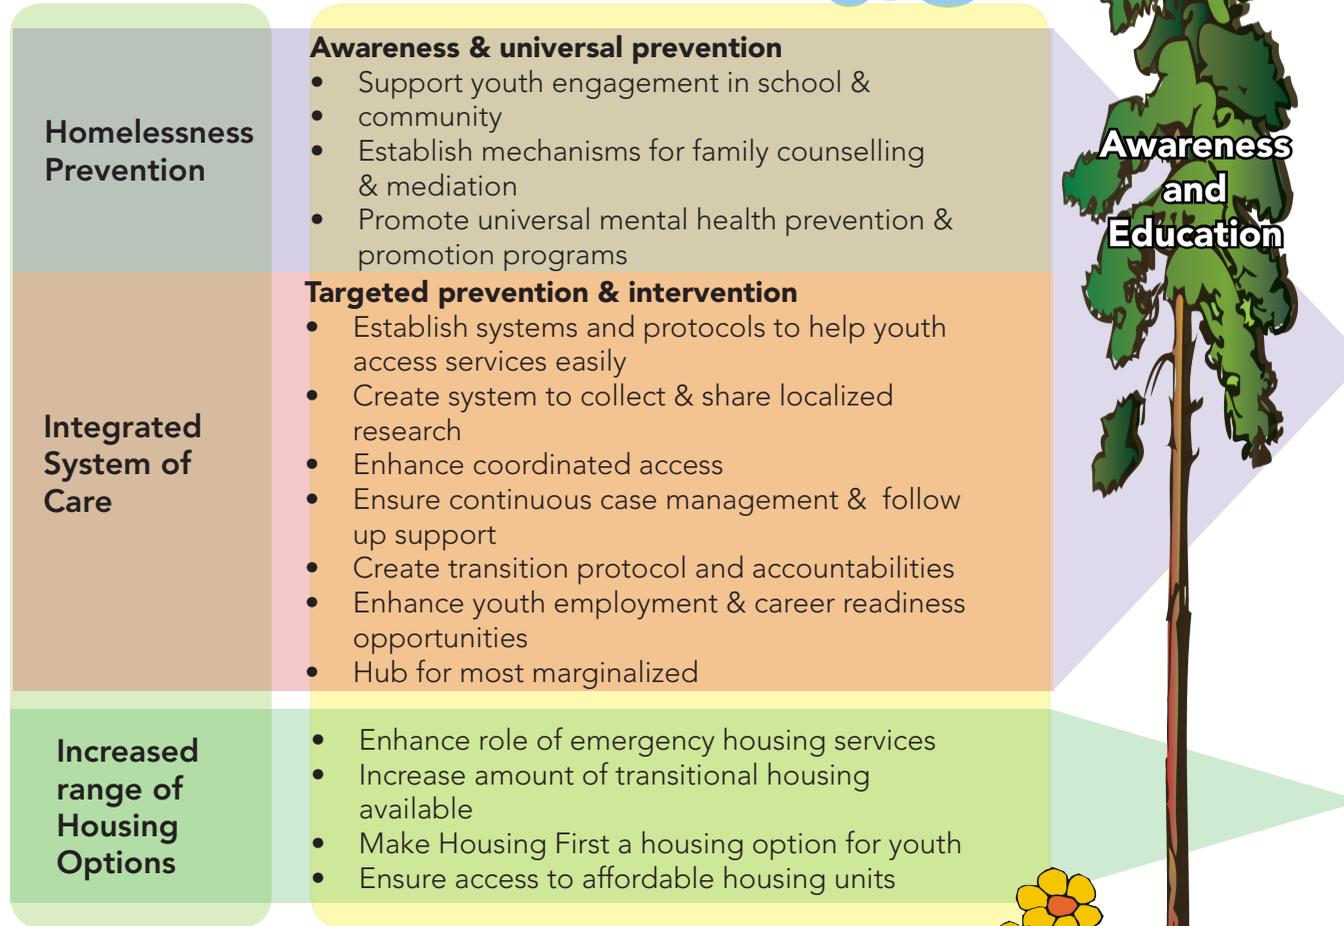

To reduce the number of youth in Kingston and area who are homeless, and those at risk of homelessness, by 20% by 2020

Youth Voice Essential

Family Voice to be considered

Collaboration with other initiatives

Establish Collective Principles & Values

OUTCOMES

Short-term	Long-term
<p>INCREASE</p> <ul style="list-style-type: none"> # of youth & family identifying and addressing underlying causes Range and # of services Youth at risk staying connected with family Use of available services Access to services and a system that is youth centred and easy to access Competencies and resiliency skills Number of people seeking help Housing stability for youth Services to address causes/concerns <p>DECREASE</p> <ul style="list-style-type: none"> Recidivism Wait time for services Youth discharged into homelessness 	<p>Reduce number of youth who are homeless or at risk of homelessness 20% by 2020</p> <p>Change community attitude positively</p>
<p>INCREASE</p> <ul style="list-style-type: none"> Appropriate response to issue Referrals between services Use of services Youth and families comfortable seeking help Youth-centred services 	<p>Youth living with self-sufficiency</p>

Regional Engagement & Coordination

- Align City of Kingston's housing and homelessness plan
- Develop plans for rural youth in Frontenac, Lennox and Addington

INCREASE

- Financial support for youth homelessness
- Awareness of issue & services available
- Capacity in neighbouring communities to serve youth locally

Sustainable regional strategy for youth homelessness
