### [Built for Zero Funder Briefing](#)

June 27, 2018  
Detroit

Funders Together to End Homelessness is working with our partner, [Community Solutions](#), to host a Built for Zero Funder Briefing at the [Built for Zero Conference](#) on June 27 from 9:30 a.m. to 11:30 a.m.

In 2015, Community Solutions launched Built for Zero, a campaign designed to help communities count down to a measurable end to chronic and veteran homelessness. They've released findings from the first three years of this campaign, which we will review at this briefing. We'll also explore Built for Zero's theory of change, what it means to reach function zero, and the four things communities need to be able to constantly solve for homelessness in a changing environment.

Join Amanda Andere, Funders Together CEO, in Detroit as we discuss the next hurdle communities are facing, as well as the funder's role in helping sustain this important work. Visit the [Built for Zero Funder Briefing page](#) to RSVP.

Please note: In order to attend the briefing, you must register for the [Built for Zero Conference](#).

## Funders Together Events

# 2018 Funders Institute

*What is Prevention? Working with Other Systems to  
REALLY End Homelessness*

July 23-25, 2018 | Washington, D.C.

*in conjunction with the  
National Conference on Ending Homelessness*

### [2018 Funders Institute](#)

July 23-25, 2018  
Washington, D.C.

If we really want to end homelessness, we cannot work in silos. Ending homelessness is too important for us to continue to work alone.

Join us at the [2018 Funders Institute](#), held in conjunction with the [National Conference on Ending Homelessness](#), to learn how philanthropy is uniquely positioned to help prevent and end homelessness by working intentionally with other systems, such as health, education, workforce development, criminal justice, and more.

This year's Funders Institute will once again continue throughout the conference with **more opportunities** to connect with your peers and learn how solutions from across the country can be implemented in your community. In addition to the valuable content planned for conference participants, each day will feature workshop sessions planned by Funders Together with content and discussion exclusively for private funders.

**This format means you can register for the conference AND the Institute through Funders Together.** If you are unable to attend the full NAEH conference but would like to attend the Funders Institute, you still have the option of registering for the Monday-only portion of the Institute.

**Register soon as we expect the National Conference on Ending Homelessness registration will close early as it has in past years!**

**Please note: Funders should NOT register through the National Alliance to End Homelessness. Your conference and Institute registrations can be purchased together through Funders Together to End Homelessness.**
