- Are there any challenges you anticipate in meeting your housing justice goals that this initiative can help with?

Policy and Advocacy at the intersection of Health and Homelessness

Rachelle Wenger, CommonSpirit Health

Anna Bailey, The Center on Budget and Policy Priorities

Bich Ha Pham, Healthcare Anchor Network

Small Group Discussion

- How would you describe your organization's level of interest and type of engagement in housing policy and advocacy? Does it include activities or funding that specifically focuses on individuals experiencing homelessness?
- In an ideal scenario, what types of policy and advocacy activities and/or funding would you like for your organization to support? Are there challenges or barriers associated with the policy and advocacy work this initiative could help you address to move in that direction?
- Were any policy and advocacy areas identified in the previous discussion that you think would resonate with your organization and help you meet your goals for the year?
