Government Definitions - Which do you support?

Pre-Reagan, Government of, by, and for the People requires:

- Government with the moral purpose to equally protect and empower ALL the People such that 1) People's individual freedoms are maximized and 2) Economic, social, racial, and environmental injustices are minimized, and
- Active participation (voting and paying citizenship dues) of a majority of the people to maintain such a government.

Post-Reagan, Government of, by, and only for the oligarchy requires:

- Government with the focused purpose to protect and enrich only the successful such that their individual freedom and wealth are maximized without concern for any resulting injustices, and
- Active participation (voting, lobbying and campaign payments) of just the successful, and their admirers, to maintain such a government.
