GARDEN STATE EQUALITY PRESENTS

THE
EQUALITY
BALL

GARDEN STATE EQUALITY is New Jersey's statewide advocacy and education organization for the lesbian, gay, bisexual, and transgender community. Our mission is to provide quality, cutting-edge programs and services to meet the needs of LGBT individuals in our state.

The **Equality Ball** is Garden State Equality's premier event and largest annual fundraiser. Last year, we had hundreds of individuals in attendance and raised tens of thousands of dollars. This year's ball will be even bigger and better, and our guest speaker will be **Governor Phil Murphy!**

Funds raised at **Equality Ball 2018** will support the innovative work **GSE** is doing in the areas of policy, education, and health. Every day, our team is busy advocating for the LGBT community in our state and developing programs that will serve as models for other states, agencies, and organizations. The success of Equality Ball 2018 will extend our reach in the following ways:

EDUCATION & YOUTH DEVELOPMENT

- Expand work with schools and youth organizations by providing more professional development and **anti-bullying** workshops
- Help make NJ the second state in the nation to roll out an **LGBT curriculum** and the first to incorporate an **interdisciplinary approach**

HEALTH & WELLNESS

- Provide trainings and resources to healthcare providers that will **increase care options** and **create safe spaces** for LGBT individuals of all ages
- Make NJ one of the first states in the country to gather comprehensive **data** regarding the healthcare needs of **LGBT seniors**

Your sponsorship will support
our programs and initiatives!
