

**HARVEST**  
A G A I N S T  
**HUNGER**

**2019**  
**CORPORATE SPONSOR PROGRAM**

Dear

As a company that is invested in local efforts within the community, we would like to invite you to participate as a sponsor this year for our upcoming fall fundraiser. On September 28th we will host our second annual *Harvest against Hunger* dinner at the College of DuPage's Street Scene Building in Glen Ellyn. A maximum of 125 attendees will enjoy music, food, drinks, and desserts made from locally grown fresh garden produce by COD's culinary and mixology departments. Last year our event sold out and had a fantastic response and we hope to build on that momentum with a creative menu, new tours, and exciting entertainment. GardenWorks supported the expansion of COD's food pantry garden in 2017 and tours will be conducted of this garden along with the school's urban agriculture program gardens during the event.

Your donation will directly benefit The GardenWork's programs and services. Take a quick look at our impact so far this year:

- 101 Home Gardens Built
- 175 Volunteers for Builds
- 42 Agency Partners
- 354 New Clients Served

Since 2012, The GardenWorks Project has built 415 home gardens for food insecure families, providing over 1600 individuals access to fresh produce. Over 200 volunteers and our 2000+ base of followers will be invited to attend this special annual event. To sponsor *Harvest against Hunger*, please complete and return the form to us by September 9. Your support will help us directly support our 2019 new clients with materials, education, and ongoing coaching for the next three years.

Thank you in advance for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeannie Iseman', with a long horizontal flourish extending to the right.

Jeannie Iseman  
Executive Director  
The GardenWorks Project
