

Petition to the House of Commons

Whereas, the House of Commons passed a motion in June of 2018 to immediately list Iran’s Islamic Revolutionary Guard Corps (IRGC) as a terrorist organization;

Whereas, in response to the storming of Capitol Hill in January 2021, the Liberal government listed ‘Proud Boys’ as a terrorist organization within less than a month, thus demonstrating that listing a group as a terrorist organization can be done quickly and efficiently;

Whereas, nearly 3 years have passed since the motion calling for the listing of the IRGC was passed in the House of Commons, and no action has been taken by the government.

Therefore we, the undersigned citizens of Canada, call on the House of Commons to:

1. Immediately list Iran’s Islamic Revolutionary Guard Corps (IRGC) as a terrorist organization; and
2. Explain why there has been a 3-year delay.
