Construction activity

A number of major developments are under way on campus in 2016. Visit deakin.edu.au/facilities-services/ for more information.

Parking

Parking availability on campus can be limited, particularly at the start of Trimester 1. We encourage you to consider alternatives such as intercampus shuttle bus and the BVAC car park and ride service, public transport, cycling or carpooling.

Visit deakin.edu.au/life-at-deakin/get-to-deakin or ptv.vic.gov.au

To park on campus, you will require a parking permit. Please note that buying a permit allows you to park in defined zones, but does not guarantee that a space will be available. Different permits apply in different areas, so please follow the signs.

Students and staff can purchase long term permits from www.vpermit.com.au/deakin

Hourly/daily permits can be purchased using the CellOPark parking app or from cashless parking permit machines located in car parks. See  icon on map for parking permit machine locations.

Please visit deakin.edu.au/parking for further parking information.

Smoke-free Deakin

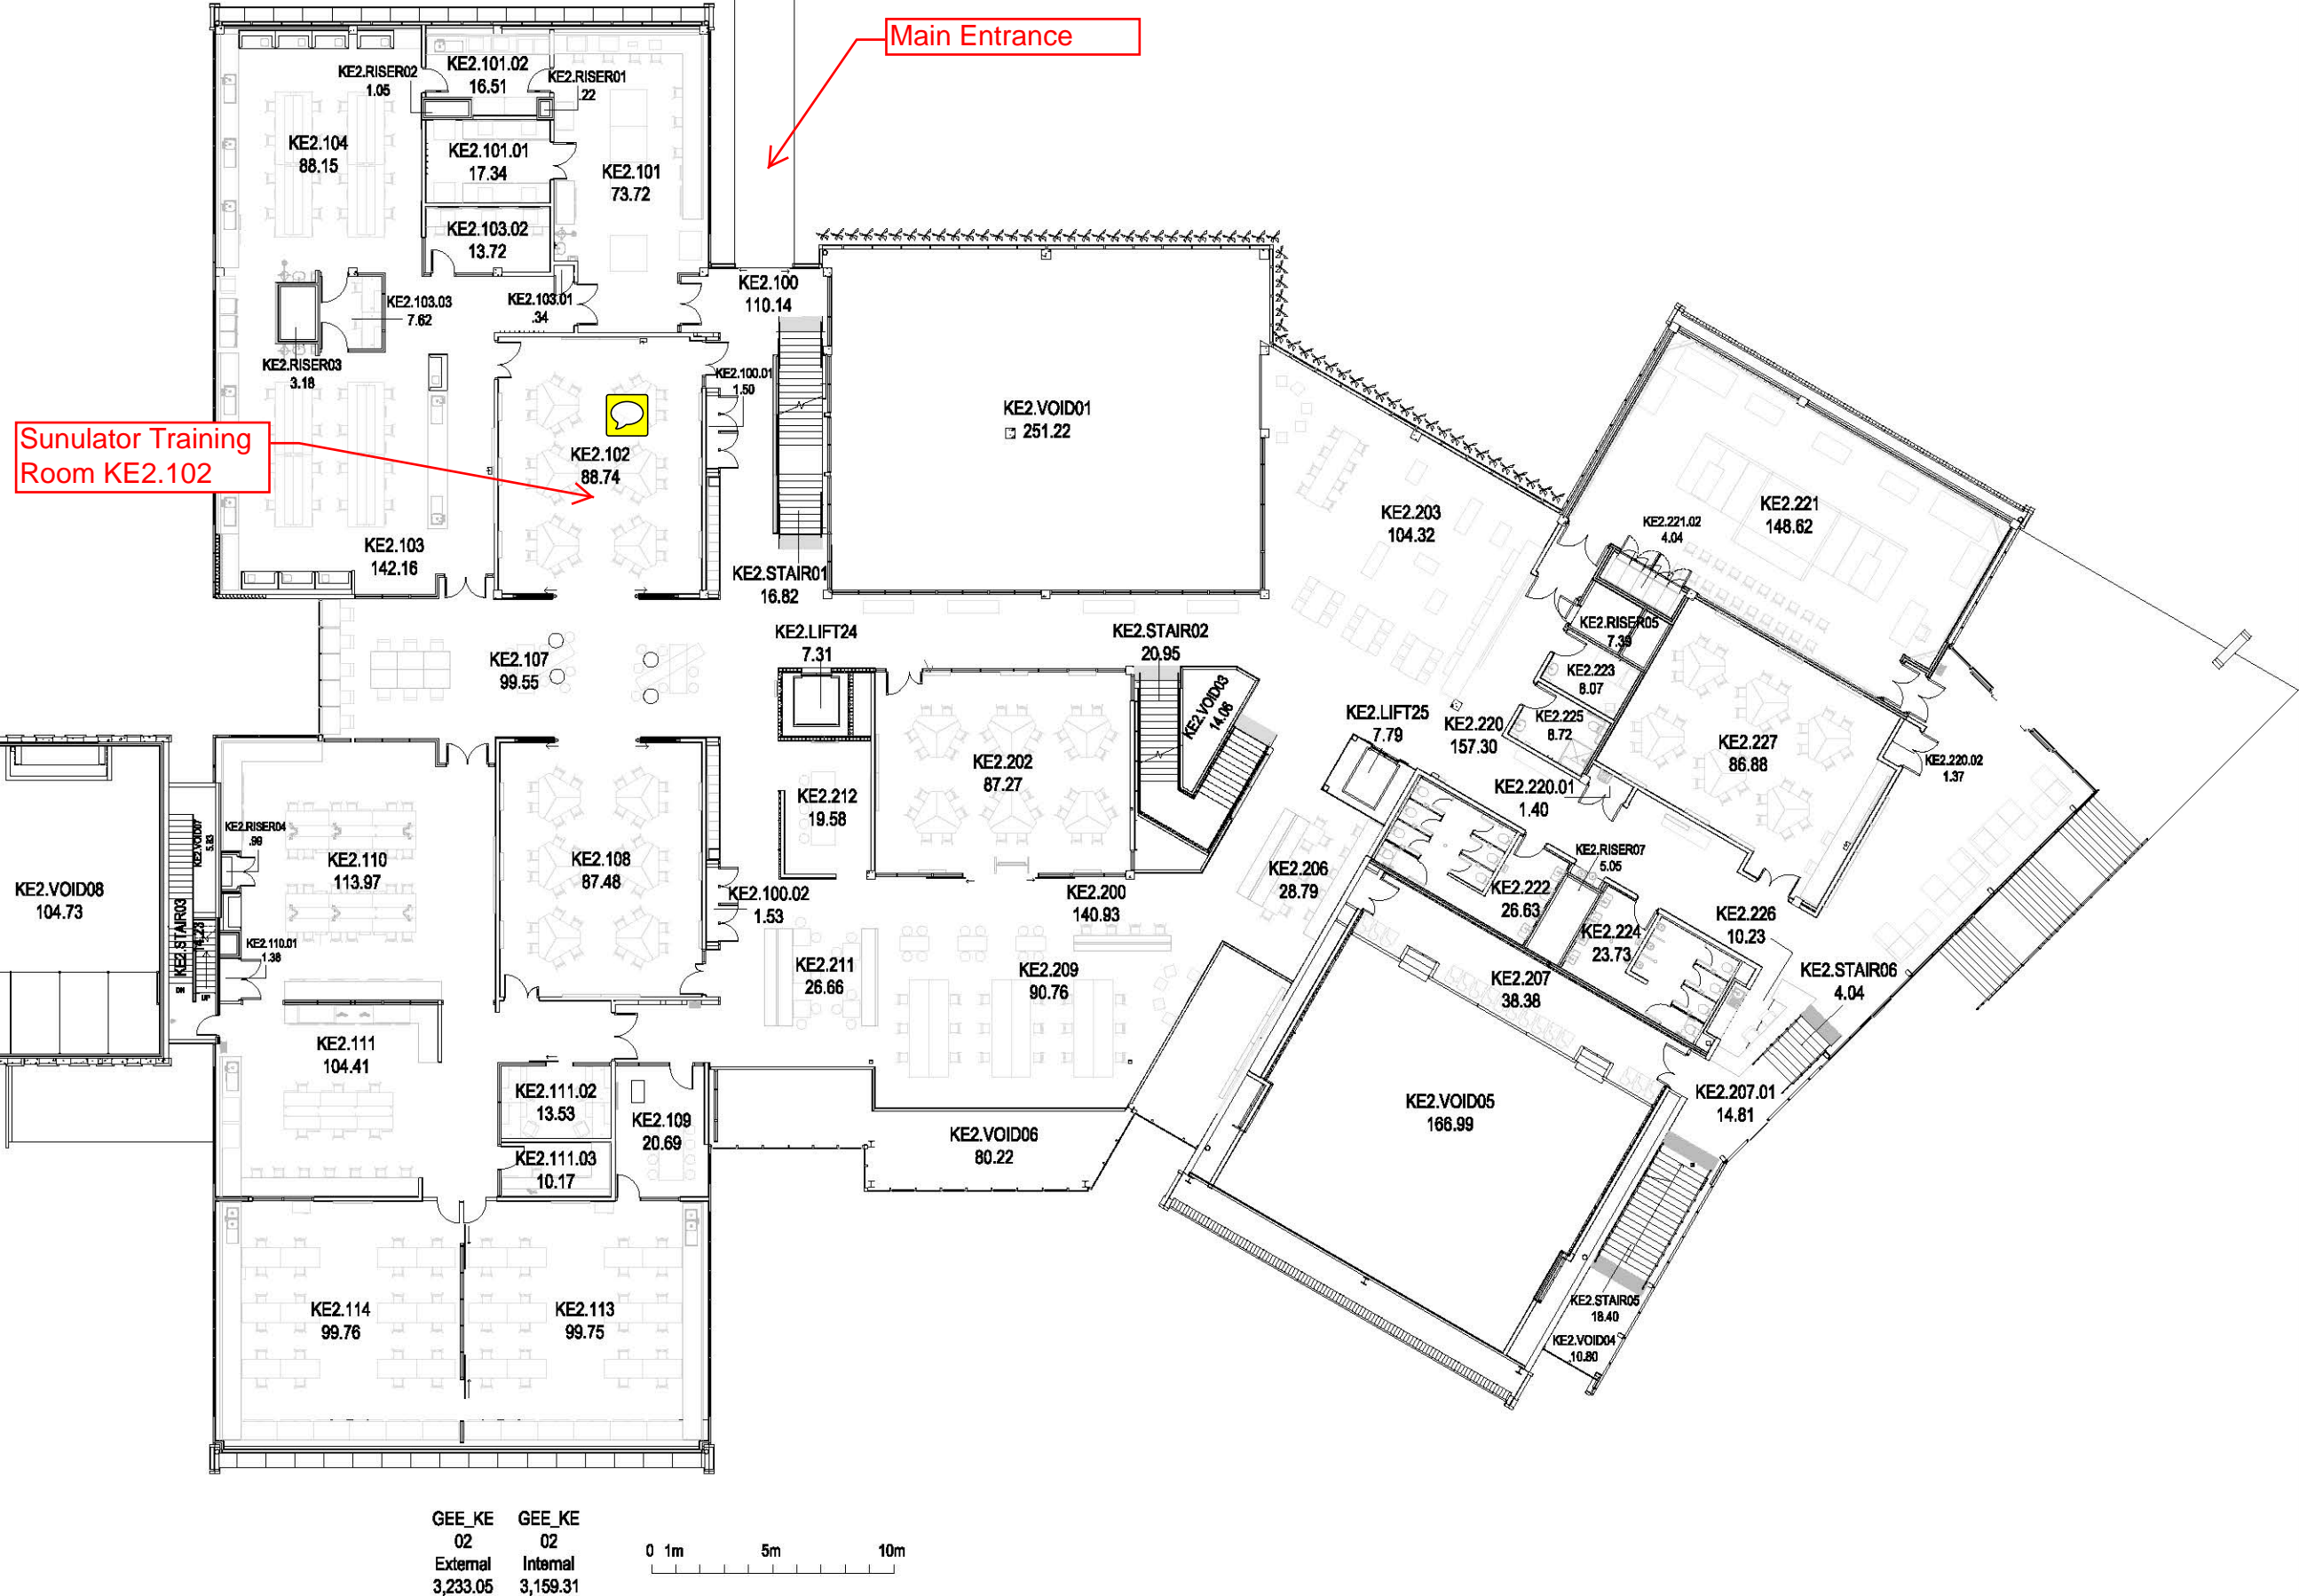

Deakin University proudly provides a smoke-free environment on all its campuses. Visit deakin.edu.au/smoke-free for more information.

Security

Security Officers are available on campus **24 hours a day, seven days a week**. Call 222 from any internal phone, or 1800 062 579 or 5227 2222 from any phone. Subject to availability, a Security Officer can accompany you to your vehicle or another location on campus whenever you do not feel comfortable making the trip alone. Call 10 minutes before you wish to leave. For more information, visit deakin.edu.au/security.
