A Talk with God

MARCH 3, 2017MARCH 3, 2017 ~ ADMIN

Hi! My name is Naheen Ahmed and I'm an aspiring comic creator. I love comics and that's what I love doing. I've always dealt with a lot of immigrant issues as my parents has pushed some their burdens on to my siblings and I. This is one dimension of the story on what it means to be who you are and what self- worth can ever really mean in our society. Hope you like it! 😊
