

VOTER'S GUIDE

fedELIXn'19
GENERATION | squeeze

Released Oct 17/19

HOW CLOSE DOES EACH PARTY'S PLATFORM COME TO SOLVING THE PROBLEM OF:

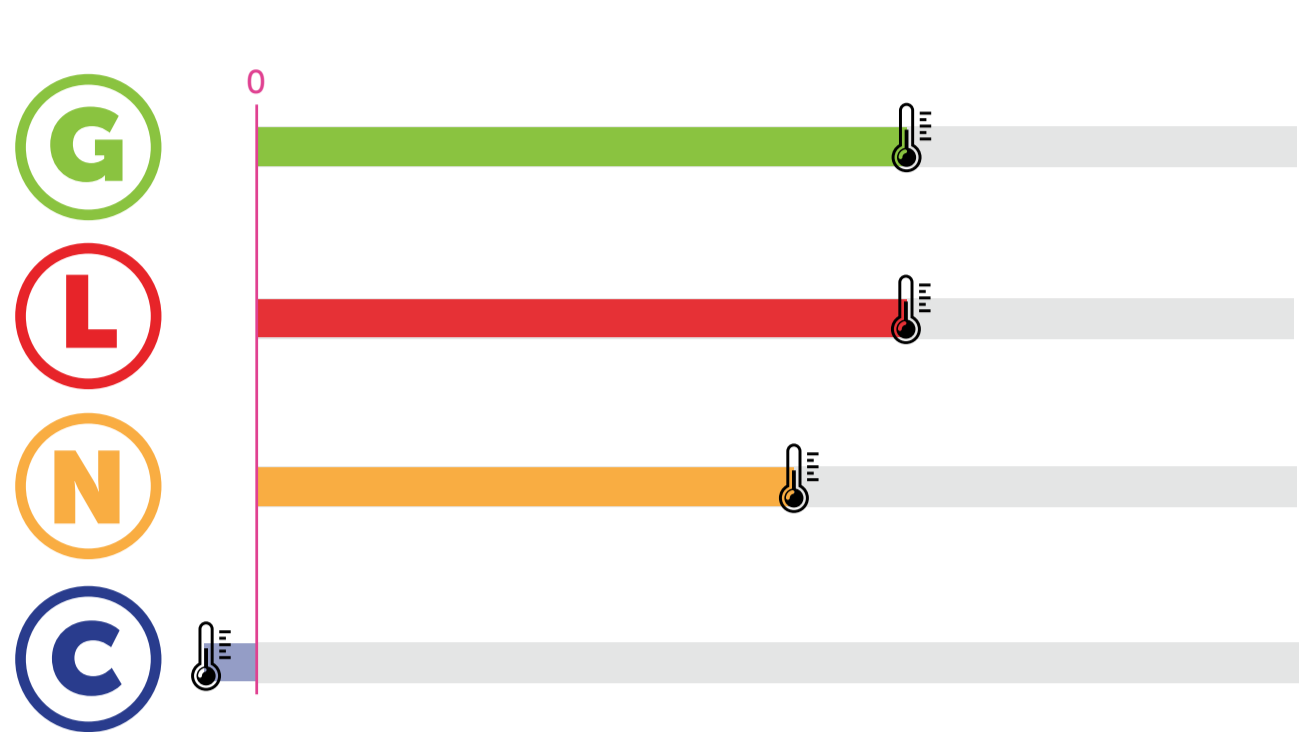

HOUSING AFFORDABILITY?

GOAL

All Canadians can afford a good home by 2030

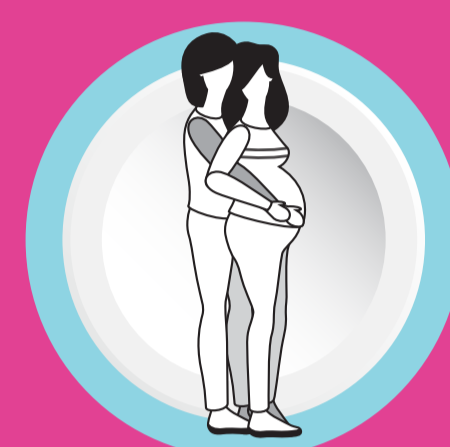

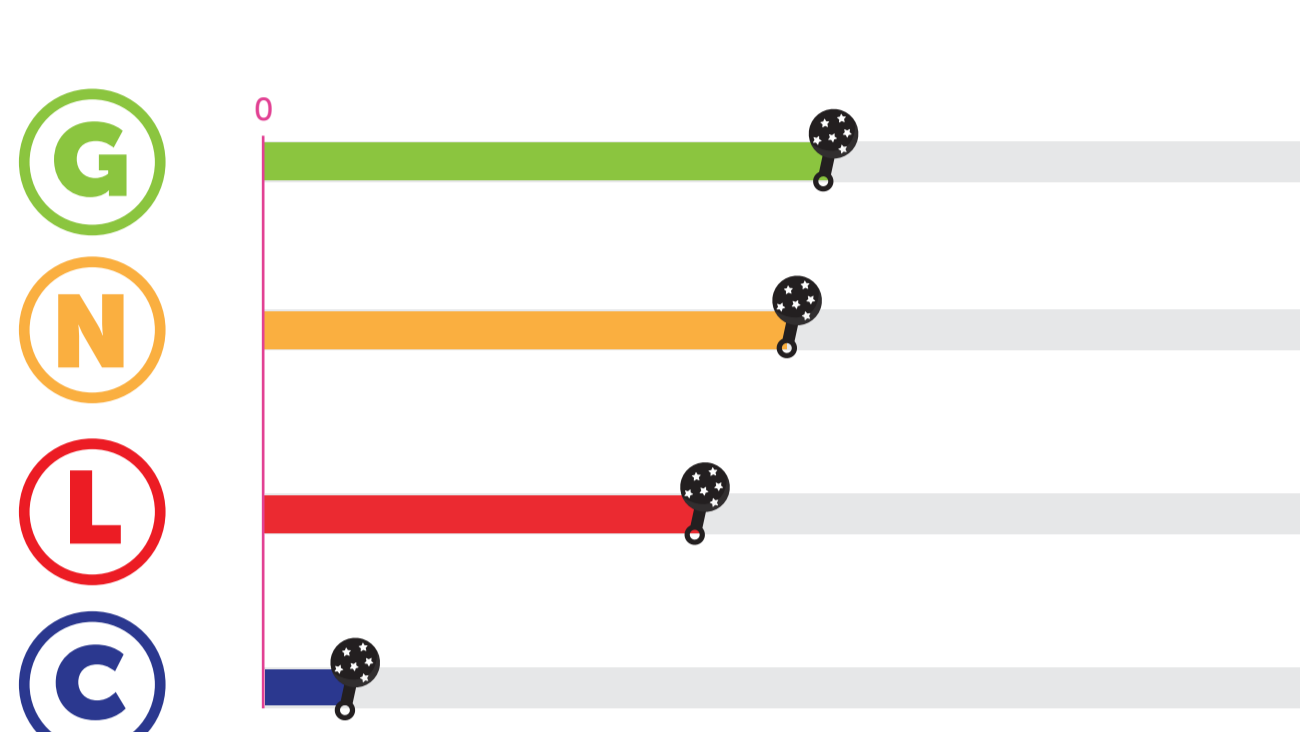

CLIMATE CHANGE?

GOAL

All Canadians benefit from holding climate change to 1.5°

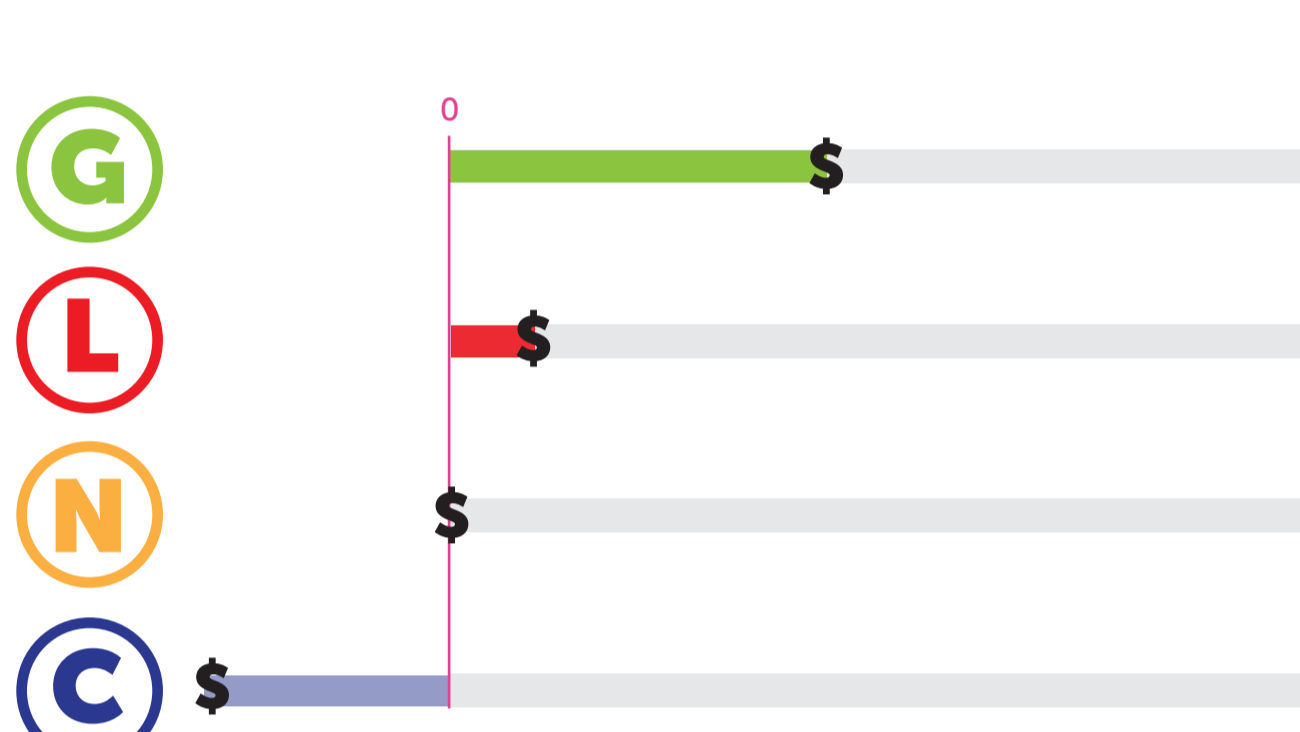

FAMILY AFFORDABILITY?

GOAL

All Canadians can afford to start a family, if they choose

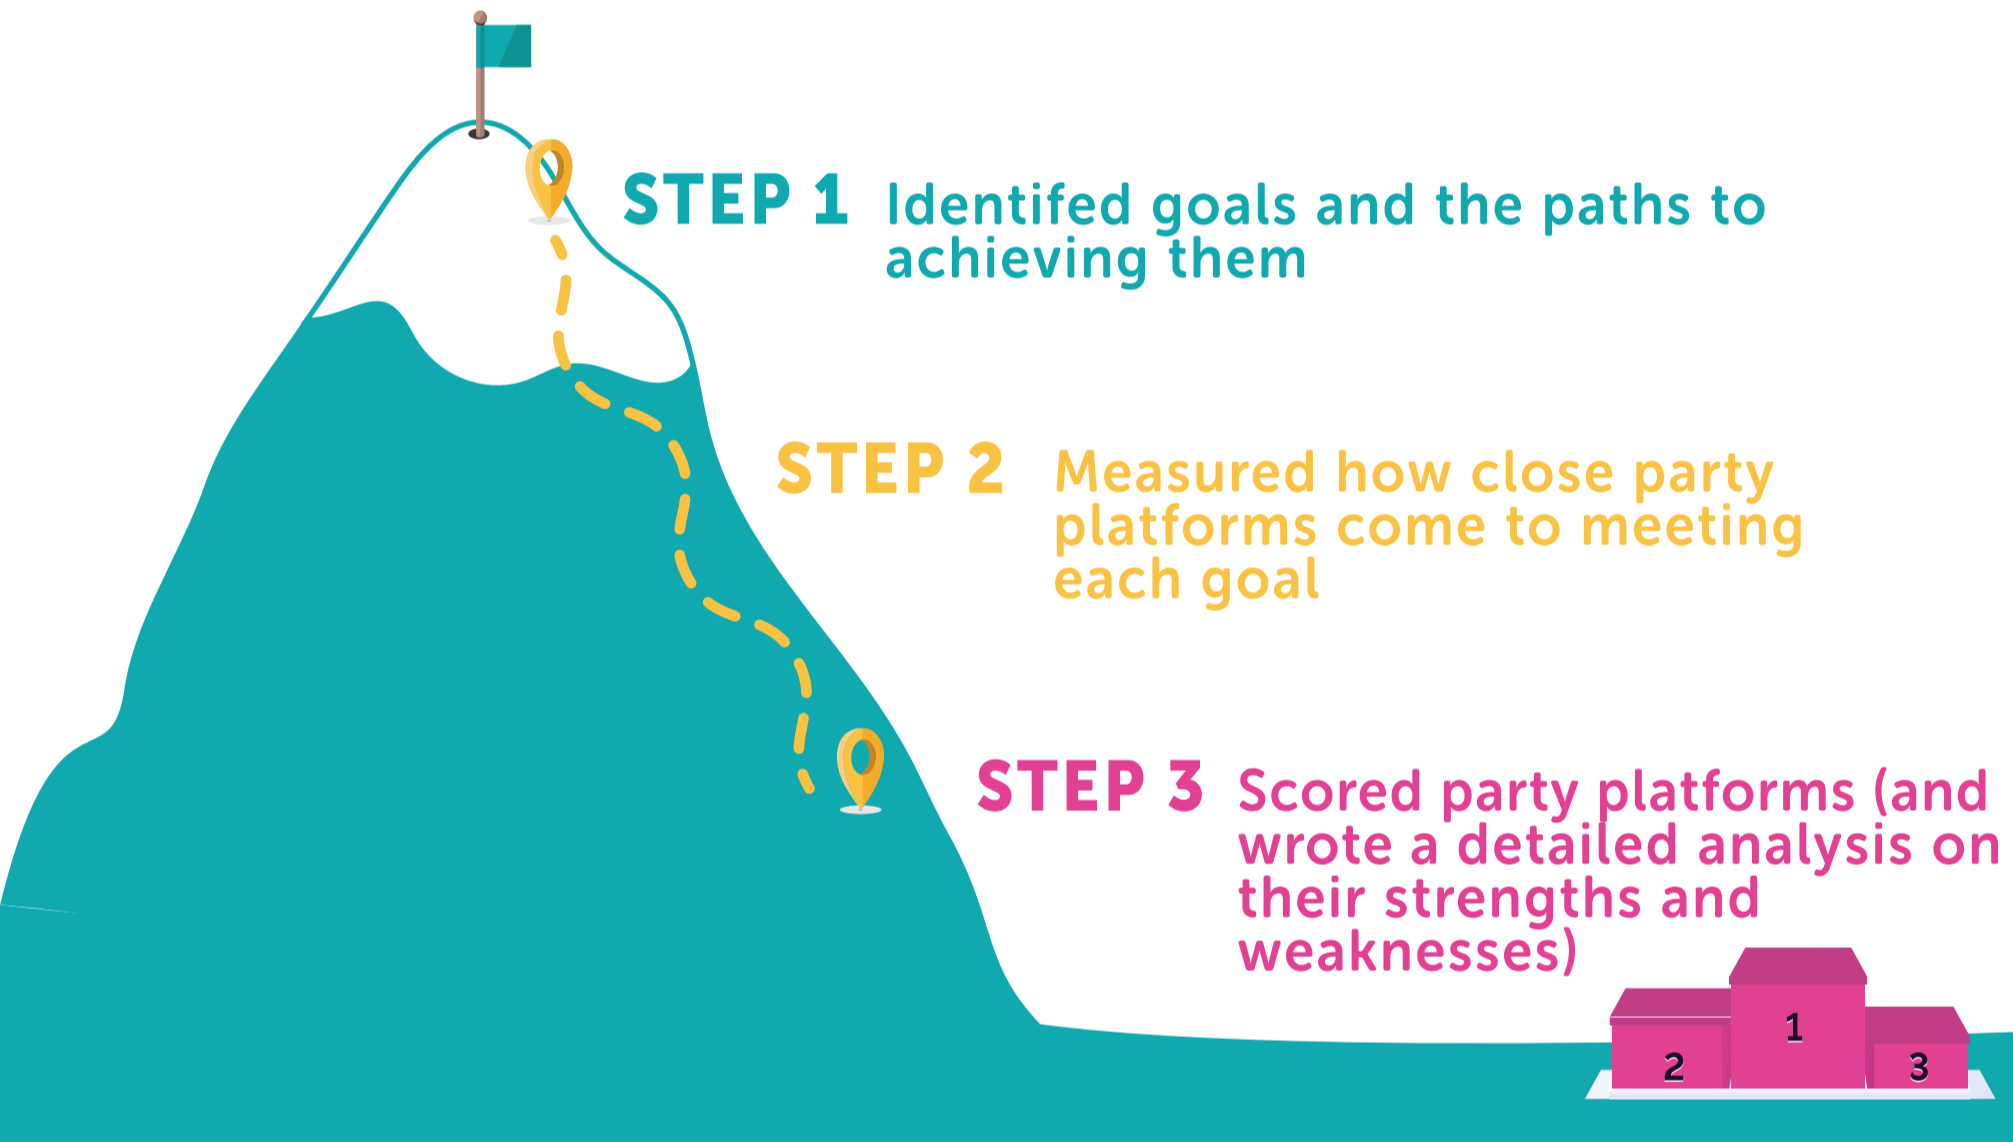

INTERGENERATIONAL BUDGETING?

GOAL

Canada budgets fairly for younger and older generations alike

HOW DID WE GET THESE SCORES?

Read the detailed analyses at gensqueeze.ca/vote19

WHY DID WE DO THIS?

People are less likely to vote if they can't figure out where parties stand or what all those promises really mean.

This guide shows how far party platforms go in actually solving the big issues on our minds.

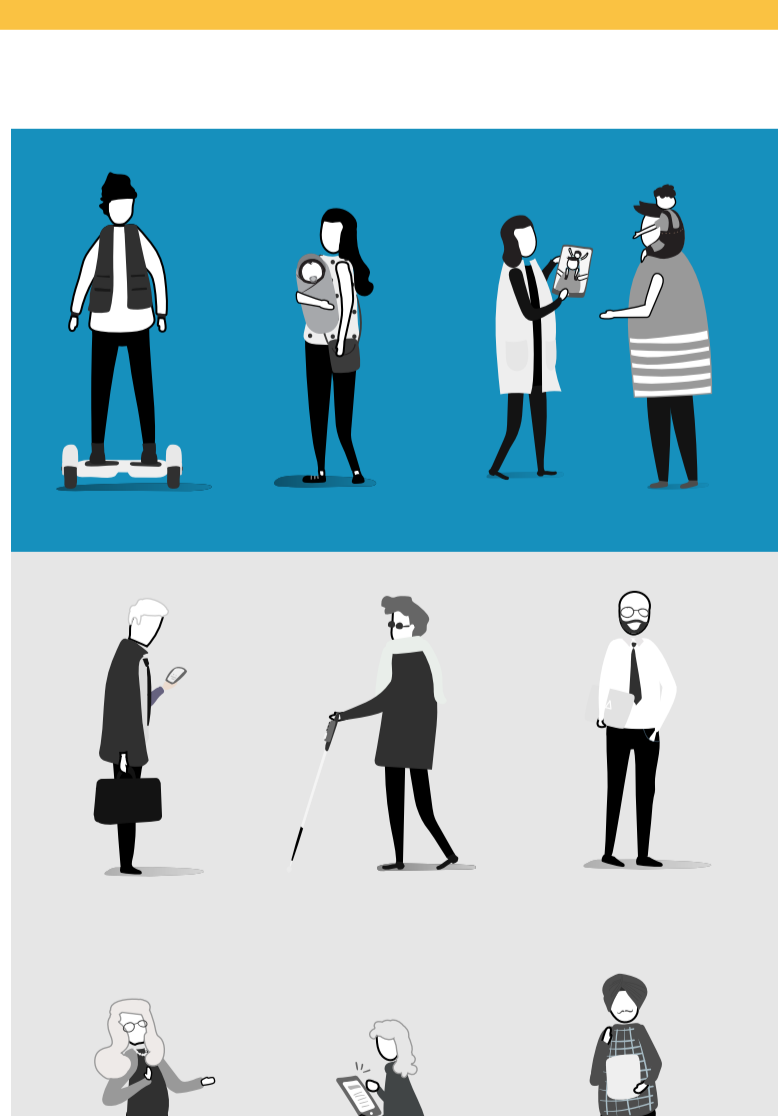

SO NOW YOU HAVE THE INFO!

18 - 38 year olds

are the biggest group of voters this election (37%)

(But no matter your age, your vote counts.)

Advance polls

Oct 11-14

General election day

Oct 21

Find your polling station at

Released Oct 17/19

This infographic summarizes an analysis comparing each party's platform against an evidence-based policy framework for achieving the specified goal. Gen Squeeze does not aim to tell you who to vote for, or to portray any party in an inherently favourable or unfavourable light. Refer to Gen Squeeze's website for the full evaluation and methodology.
